About the Programme : UNESCO approved 3T IBHSC Bioethics Course has been design to introduce DNB Accredited medical ,dental, nursing and health science teaching faculty of University and colleges to teaching the modern Vertically Integrated Bioethics. curriculum is based on 15 principles enshrined in the UNESCO'S Universal Declaration on the Bioethics and Human Rights.

The 3T-IBHSc program is built to 'Train-Teach-Transfer' Bioethics and Human Rights knowledge to the faculty members. The training will be re-enforced by a series of lectures and addresses by the national and international faculty. This initiative is part of the training for the DNB program supervisors in keeping with the NBE planned introduction of Bioethics Communication Safety and Quality in the DNB curriculum.

It is essential for all accredited hospital based DNB programme to nominate and send Post Graduate Supervisors/Teachers/Consultant/Faculty of NBE accredited Hospitals/Institutions running DNB program in various Broad & Super Specialty, and Fellowship programme in various sub specialty areas to attend the 3T Integrated Bioethics for Medical Sciences for postgraduate supervisors.

The Post Graduate Certificate 3T-IBHSc Course of the department of education of the UNESCO Chair for Post Graduate Training Supervisors of the DNB programs in NBE approved hospitals has 2.5 day Face to face program with a simulated teaching assessment and followed with the distance learning International Webinar Course on the Principals of Bioethics and Human Rights of the Universal Declaration on Bioethics and Human Rights

Target Audience: The course is beneficial to the faculty of DNB accredited Medical and Health science teaching universities and colleges.
