

## **INVITATION TO THE 9<sup>TH</sup> ANNUAL KALAWATI SARAN CHILDREN'S HOSPITAL CME**

Dear Colleagues,

We are pleased to invite you to the 9<sup>th</sup> Annual CME of Kalawati Saran Children's Hospital, scheduled for February 23, 2025, at the Mini Auditorium, LHMC. This year's theme, Pediatric Pulmonology & Gastroenterology, brings together expert discussions on key clinical challenges and recent advances.

### **Pediatric Pulmonology Sessions:**

- PFT & IOS: Clinical Utility in Practice
- CECT Chest: When & Why?
- Chronic Cough: Stepwise Diagnosis & Management
- Preschool Wheeze: A Diagnostic Dilemma
- What's New in Asthma? (Panel Discussion)
- TB Management: Latest NTEP Updates

### **Pediatric Gastroenterology Sessions:**

- Chronic Abdominal Pain: A Systematic Approach
- Pediatric Pancreatitis: Practical Management
- SAM: Optimizing Nutritional & Medical Care
- Neonatal Cholestasis: Early Diagnosis & Intervention
- IBD in Children: Evolving Concepts & Management
- Pediatric Liver Transplant: When to Consider?
- PALF: A Clinical Conundrum

**Date: 23rd February 2025**

**Venue: Mini Auditorium, LHMC**

Don't miss this opportunity to update your knowledge and interact with experts!
