

भारत के उपराष्ट्रपति
VICE-PRESIDENT OF INDIA

MESSAGE

I am happy to know that the National Board of Examinations (NBE) is organizing its 20th Convocation on 24th December, 2019.

I express my appreciation to the National Board of Examinations for playing a critical role in streamlining and standardizing medical education in our country.

I extend my heartiest congratulations to the young Post Graduates who are passing out. The Convocation Day celebrations would herald the completion of a major chapter in the lives of these young doctors as they commence on a new voyage. I hope that this voyage would take them on a path of stellar brilliance, which would require great commitment and hard work, but would also be equally gratifying and rewarding.

Medical profession is a mission. I am hopeful that young doctors will make it their priority to serve and heal the less fortunate sections of the society, especially those from rural areas.

I extend my greetings and best wishes to all the young Post Graduates and wish the Convocation Ceremony all success.

(M. Venkaiah Naidu)

New Delhi
12th December, 2019.
