Question Paper Name : Diploma Tuberculosis and Chest Disease Paper1
Subject Name : Diploma Tuberculosis and Chest Disease Paper1
Duration : 180
Total Marks : 100
Display Marks: No

Maximum Instruction Time : 0

Question Number : 1 Question Id : 32718736835 Consider As Subjective : Yes

Please write your answers in the answer booklet within the allotted pages as follows:-

Question Number	Answer to be attempted within	Question Number	Answer to be attempted within
Q. 1	Page 1-5	Q. 6	Page 26-30
Q. 2	Page 6-10	Q. 7	Page 31-35
Q. 3	Page 11-15	Q. 8	Page 36-40
Q. 4	Page 16-20	Q. 9	Page 41-45
Q. 5	Page 21-25	Q. 10	Page 46-50

1. a) Management of drug induced peripheral neuropathy in a patient on DRTB treatment. [5]
b) Isoniazid toxicity. [5]

Question Number : 2 Question Id : 32718736836 Consider As Subjective : Yes

- a) Pregnancy and drug resistant tuberculosis. [5]
b) Side effects and toxicity of Rifampicin. [5]

Question Number : 3 Question Id : 32718736837 Consider As Subjective : Yes

Step wise management of asthma as per GINA guidelines. [10]

Question Number : 4 Question Id : 32718736838 Consider As Subjective : Yes

Definition and management of solitary pulmonary nodule. [10]

Question Number : 5 Question Id : 32718736839 Consider As Subjective : Yes

a) Management of acute exacerbation of COPD. [5]

b) TB preventive therapy. [5]

Question Number : 6 Question Id : 32718736840 Consider As Subjective : Yes

a) Usefulness of Mantoux test/CyTB test in clinical practice. [5]

b) CT scan features of usual interstitial pneumonia. [5]

Question Number : 7 Question Id : 32718736841 Consider As Subjective : Yes

a) Management of hemoptysis. [5]

b) Complications of tuberculosis. [5]

Question Number : 8 Question Id : 32718736842 Consider As Subjective : Yes

a) Management of pneumothorax. [5]

b) Definition of exudative pleural effusion. [5]

Question Number : 9 Question Id : 32718736843 Consider As Subjective : Yes

a) Flow volume loop. [5]

b) Measurement and importance of residual volume/total lung capacity. [5]

Question Number : 10 Question Id : 32718736844 Consider As Subjective : Yes

a) Dry powder inhalers and their advantages over metered-dose inhalers. [5]

b) Definition of obstructive sleep apnoea. [5]
