Question Paper Name : DNB Emergency Medicine Paper2
Subject Name : DNB Emergency Medicine Paper2
Duration : 182
Total Marks : 100
Display Marks: No

Maximum Instruction Time : 0
Is Section Default? : No

Question Number : 1 Question Id : 32718744833 Consider As Subjective : Yes

Please write your answers in the answer booklet within the allotted pages as follows:-

Question Number	Answer to be attempted within	Question Number	Answer to be attempted within
Q. 1	Page 1-5	Q. 6	Page 26-30
Q. 2	Page 6-10	Q. 7	Page 31-35
Q. 3	Page 11-15	Q. 8	Page 36-40
Q. 4	Page 16-20	Q. 9	Page 41-45
Q. 5	Page 21-25	Q. 10	Page 46-50

1. a) Describe the classification and management of pelvic fractures in trauma. [5]
- b) Discuss the role of pelvic binders and angiographic embolization. [5]

Question Number : 2 Question Id : 32718744834 Consider As Subjective : Yes

- a) Outline the approach to penetrating abdominal trauma. [5]
- b) Describe indications for laparotomy in abdominal trauma. [5]

Question Number : 3 Question Id : 32718744835 Consider As Subjective : Yes

- a) Discuss the pathophysiology and management of compartment syndrome. [5]
- b) Describe the technique and indications for fasciotomy. [5]

Question Number : 4 Question Id : 32718744836 Consider As Subjective : Yes

- a) Describe the mechanism and classification of spinal cord injuries. [5]
- b) Discuss the role of methylprednisolone in spinal trauma. [5]

Question Number : 5 Question Id : 32718744837 Consider As Subjective : Yes

- a) Outline the management of traumatic globe rupture in the ED. [5]
- b) Describe the classification and treatment of zygomatic fractures. [5]

Question Number : 6 Question Id : 32718744838 Consider As Subjective : Yes

- a) Describe the ED approach to traumatic diaphragmatic injury, including clinical signs and imaging modalities. [5]
- b) Discuss the indications, technique, and complications of emergency thoracotomy in trauma. [5]

Question Number : 7 Question Id : 32718744839 Consider As Subjective : Yes

- a) Explain the emergency management of posterior dislocation of hip. [5]
- b) Discuss complications of prolonged tourniquet application. [5]

Question Number : 8 Question Id : 32718744840 Consider As Subjective : Yes

- a) Describe the ED management of traumatic urethral injury. [6]
- b) Discuss the ED management of fistula-in-ano. [4]

Question Number : 9 Question Id : 32718744841 Consider As Subjective : Yes

- a) Outline the management of auricular laceration. [5]
- b) Describe airway challenges in facial trauma. [5]

Question Number : 10 Question Id : 32718744842 Consider As Subjective : Yes

- a) Discuss the emergency management of swallowed foreign body in adult patient. [5]
- b) Enumerate the differential diagnosis of right lower quadrant pain. [5]
