INVITATION ►►

Dear Friends,

On behalf of the organizing committee of the **IPF MEDICON 2018**, it is indeed a great pleasure to invite you all to the 1st Annual Conference of **Innovative Physicians Forum**[®]. The conference has been scheduled for Sunday, 2nd December 2018 and will be held at Hotel The Lalit, New Delhi.

This annual conference will attempt to provide an academic feast of latest developments in the field of medicine. In addition to providing clinical updates relevant to the practice of medicine, the conference will also provide a platform to our members and fellow physicians to interact and exchange views, and help improve the understanding of medicine. At the same time this conference will also create opportunities for connecting with leaders in the field of medicine from across Delhi and India.

This is a known fact that the knowledge and understanding of medicine is changing at a tremendous pace. From basics of pathophysiology to development of newer interventions, the last decade has seen a phenomenal change in the way we look at the subject of medical specialties, sub specialties and super specialties. While on one hand our understanding in the field of molecular biology, genetics, epigenetics and pathophysiology has improved, on the other hand the newer interventional techniques have changed the therapeutic modalities.

Innovative Physicians Forum[®], as the name signifies, has a tremendous potential to focus on research and academics and this will be vividly visible in the conference in the form of free papers, sessions, posters, quizzes and state of the art lectures and key note addresses. We request you all to submit your work and actively participate in the conference.

The venue Hotel The Lalit, New Delhi has also been carefully chosen to provide easy accessibility, great conferencing infrastructure, and grand ambience and sufficient space to accommodate the gathering. Hope you all will participate in large number with great enthusiasm and make the conference a big success.

With best wishes!

About IPF ▶▶

IPF is a platform which brings together intellectuals, clinical scientists and researchers from the field of internal medicine and allied subjects and super specialties. The ideology of the IPF is to discuss and present the science in its most unbiased form. IPF is open to new ideas and innovative ways of exchanging the knowledge amongst the professionals. IPF also gives you immense opportunities to associate with other likeminded professionals, researchers & scientist in our endeavor to enrich knowledge in the field of medicine and allied subjects, IPF conducts regular bimonthly CMEs and from this year onward we shall be organizing the annual conference of IPF. Team IPF conveys best wishes and regards to all its highly learned members for their commitment towards lifelong learning.

Aims and objectives of Innovative Physicians Forum® (IPF)

- ❖ To accomplish high standards of excellence in education, medical practice and research in medical sciences and its related discipline in India and neighboring countries by addressing the educational and research needs as well as promoting and supporting its uses by medical and allied health professionals and to promote the knowledge of medical sciences.
- ❖ To hold workshops, seminars, symposia, conferences and other group meetings for similar objectives.
- ❖ To seek and secure cooperation of and coordination with other biomedical scientific, and academic, institutions, societies and associations in private and government biomedical and scientific departments and services in India and abroad.
- ❖ To promote and develop collaborative research, networking, practice guidelines, course curriculum, education and evaluation technologies in medical sciences.

About Delhi ▶▶

Delhi is the capital of India and is regarded as the heart of the nation. The city is popular for its enriched culture and heritage. The city hosts some famous historical monuments and is transforming itself with the passage of time.

The influence of religious diversity can be seen in the city along with the cultural impact of the Mughal, the ancient Indian and the British. There are many beautiful gardens in the city, away from pollution and busy city life that provide opportunities to walk leisurely in the midst of greenery.
