

**National Board of Examinations  
New Delhi  
(NEET-SS 2019)**

**Dated: 14<sup>th</sup> May 2019**

**PUBLIC NOTICE**

**Subject: Inclusion of DM Paediatric Neurology in NEET-SS 2019**

Kind attention is invited to Annexure C of Information Bulletin for NEET-SS 2019 which indicates the list of various DM/MCh courses offered by MCI and are included in NEET-SS 2019 along with their eligible prior entry qualifications.

As per MCI letter no.23(1)/Med-2019/111965-966 dated 10/05/2019, the following DM Super Specialty course has also been included in NEET-SS 2019:

<b>Name of Super Specialty Course</b>	<b>Eligible Prior Entry qualification</b>
DM Pediatric Neurology	MD /DNB in Pediatrics or MD/DNB General Medicine

- The prior entry qualifications for DM Pediatric Neurology is similar to the prior entry qualification for DM Neurology. Accordingly, both these super specialties have been clubbed together and there shall be a common question paper for both DM Neurology & DM Pediatric Neurology.
- Candidates who have opted for DM Neurology super specialty course at the time of submission of online application form for NEET-SS 2019 shall automatically be eligible for DM Pediatric Neurology course subject to fulfillment of eligibility criteria as indicated in the information bulletin.
- Candidates with MD/DNB Paediatrics or MD/DNB General Medicine who are desirous of DM Pediatric Neurology course but have submitted their application form for NEET-SS 2019 without opting for DM Neurology course are hereby informed that there will be an edit window for a period of 3-5 days after the close of registration window for NEET-SS 2019 i.e. 28<sup>th</sup> May 2019 during which candidate can edit/add/drop super specialty courses besides other information in their NEET-SS 2019 application forms. A separate notice in this regard will be

issued after 28<sup>th</sup> May 2019 detailing about this edit window for NEET-SS 2019 as mentioned in the Information Bulletin.

- Candidates who have not submitted their application form for NEET-SS 2019 and are desirous of DM Pediatric Neurology course must opt for the clubbed DM Neurology/DM Paediatric Neurology super specialty course at the time of submission of online application form for NEET-SS 2019, subject to fulfillment of eligibility criteria as indicated in the information bulletin.
