I INTRODUCTION

1. National Board of Examinations (NBE) was established in 1976 on recommendation of a high level expert group. NBE started its operations between 1976 to 1982 as a wing of the National Academy of Medical Sciences (NAMS). NBE was established as an independent autonomous organization under Societies Registration Act, 1860 on 1st March 1982.
2. The prime objectives of NBE is to elevate the standards of post graduate medical education in modern medicine and conducting examinations of high standard on all India basis.
3. NBE has evolved as one of the largest professional autonomous organizations at global scale during 34 years of its existence as autonomous body.
4. NBE conducts examinations in 72 disciplines and subspecialties of modern medicine which includes DNB programme in 29 broad and 25 super specialties. NBE has accredited 469 institutions/ hospitals in public and private sector all over the country.
5. National Board is also conducting Fellowship programme in 18 sub-specialties for MD/MS/DNB Speciality who have completed their training in the concerned specialties. Selection to the fellowship programme is based on an entrance test and admission to the courses is through centralized merit based counseling.
6. NBE provides a common national standard for evaluation of minimum level of attainment of the knowledge and competencies of postgraduate and postdoctoral training. Well equipped centers have been identified and accredited by NBE in the concerned specialties to provide excellent training infrastructure and faculty for the candidates. Diplomate Qualifications awarded by NBE have established benchmarks of high quality in the field of medical education in the country.
7. NBE has pioneered use of Computer Based testing for PG Medical Entrance Exams in the country. Beginning 2012, All PG Medical Entrance Exams and Screening test are being conducted on Computer Based Test platform. The introduction of computer technology has transformed the test delivery and student assessment.
8. The Diplomate/Fellow qualifications (DNB/FNB) awarded by the National Board of Examinations have been equated with postgraduate degree and postdoctoral level qualifications of universities by the Government of India, Ministry of Health and Family Welfare. The holders of NBE qualifications awarded after an examination are eligible to be considered for specialists' posts in any hospital and for teaching positions at academic institutions. The holders of NBE qualifications awarded after an examination i.e. DNB, are eligible to be considered for specialists post / faculty in any hospital including training /teaching institution on a teaching post / as faculty members / teacher / Assistant Professor/ lecturer.

9. Over the years NBE's research engagements have also increased significantly. NBE has consistently promoted collaborations with various national and international agencies/bodies of repute in the field of medical education and research to promote and provide a broader range of both technical as well as academic expertise to enrich the various DNB programmes being conducted by the board.
10. NBE in collaboration with Childrens Heart Link, USA, and People4People, India, are organizing interactive virtual teaching program for pediatric cardiology candidates to deliver a comprehensive and more widely accessible quality teaching program through CME sessions consisting of didactic webinars and Web discussions and quizzes.
11. NBE is also regularly conducting Faculty Development Workshops wherein the faculty is sensitized to carry out effective teaching, training and mentoring activities for DNB /FNB candidates. NBE has also introduced research methodology workshops for faculty and students on All India Basis.
12. NBE has introduced NBE Awards for excellence in teaching & training in five categories. A total of 38 Faculty members and 9 Institutes have been selected for NBE Awards for Excellence in teaching and training since 2012.

4. POST DOCTORAL FELLOWSHIP PROGRAMMES :

India has expertise in various sub-specialty areas, with medical institutions having requisite technology and trained manpower delivering high quality medical services. There are many young medical postgraduates with aptitude for higher learning and considering the need to increase manpower that can render highest degree of professional work; the National Board has started Postdoctoral Fellowship courses.

Well equipped centers, after due procedure have been identified in concerned specialties for imparting hands on training. Candidates with DNB/MD/MS/DM/MCH qualification in the concerned specialty are eligible to pursue NBE fellowship training. Selection is based on an entrance test and centralized counseling. The trainees go through a structured training programme, maintain performance record books and undergo examination at the end of the training. Successful candidates are awarded the fellowship of National Board at the annual convocation. The sub-specialties in which the fellowship Programmes are available along with the number seats during the reporting period is as follows:

6. TRAINING & MONITORING / CONTINUOUS PROFESSIONAL DEVELOPMENT

1. CONTINUING MEDICAL EDUCATION (CME) PROGRAMMES & SEMINARS DURING THE YEAR 2015-16

The Board organizes Post Graduated CME courses, workshops, seminars, symposia and training programme of specialized nature in various accredited institutions and identified medical colleges all over the country. These activities are for the development of DNB teachers and training of DNB candidates.

The consultants in the accredited hospitals are exposed to workshops for bedside teaching and training, research methods, assessment/examination methods.

NBE has conducted 32 CME workshops for DNB Candidates and 4 Workshops for the Faculty of DNB Accredited Hospitals on Thesis Research and Protocol Writing on PAN India basis. And also NBE has conducted 1 workshop on Faculty Development Programme in Surgical Disciplines at Hyderabad & 1 Symposium on Ethics and Professionalism in Medicine at New Delhi.

FORMATIVE ASSESSMENT

Formative assessment includes various formal and informal assessment procedures by which evaluation of student's learning, comprehension, and academic progress is done by the teachers/ faculty to improve student attainment. Formative assessment test is called as "Formative" as it informs the in process teaching and learning modifications. FAT is integral part of the effective teaching. The goal of Formative Assessment is to collect information which can be used to improve the student learning process.

Formative assessment is essentially positive in intent, directed towards promoting learning; it is therefore part of teaching. Validity and usefulness are paramount in formative assessment and should take precedence over concerns for reliability.

NBE has successfully conducted the Formative Assessment for DNB Trainees who are pursuing residency in DNB Accredited Institutes/Hospitals on centralized basis all over India in which 4040 candidates appeared for FAT examination. The purpose of introducing appraisals of NBE accredited hospitals/institutions is to assist the local institutions to develop in to a center of academic excellence. This would further add value to the services being rendered in these accredited hospitals/institutions.

The assessment scheme consists of Three Parts which has to be essentially completed by the candidates. The scheme includes:-

Part I:- Conduction of theory examination

Part-II :- Feedback session on the theory performance

Part-III :- Work place based clinical assessment

Benefits of the FAT for the examiners is that they are able to determine what standards students already know and to what degree. They can decide what minor modifications or major changes in instruction they need to make so that all students can succeed in upcoming instruction and on subsequent assessments. They can create appropriate lessons and activities for groups of learners or individual students and also inform students about their current progress in order to help those set goals for improvement.

Benefits of FAT for students are that they become motivated to learn and take responsibility for their own learning. They can learn valuable lifelong skills such as self-evaluation, self-assessment, and goal setting and become more adept at self-assessment. In the above pattern NBE has conducted Part I (Theory Examination) for 8311 candidates and Part III (Work Place Based Clinical Assessment) was conducted for 7122 candidates during the year 2015-2016.

LEARNING MATERIAL (DVD/CD):

NBE has also set up a repository of electronic, content covering 22 specialties available in various volumes in the form of DVD's. These cover a wide range of issues as a part of the Post Graduate curriculum for modern medicine from common topics to esoteric areas of knowledge which otherwise are not easily available as learning resource. During this year a total of 2138 volumes of DVDs were made available to 123 medical institutes and post graduate candidates.

ELECTRONIC COMMUNICATION:

NBE is sending latest information regarding the CME Program/ Workshop/Telecalling to all hospitals and candidates through periodic email also.

7. THESIS & RESEARCH

As per NBE norms, writing a thesis is essential for all DNB candidates towards partial fulfillment of eligibility for award of DNB degree certificate.

Research forms an integral part of the education programme for all candidates registered with NBE. The Basic aim of requiring the candidates to write a thesis/dissertation is to familiarize them with research methodology. The members of the faculty guiding the thesis/dissertation work for the candidate to ensure that the subject matter selected for the thesis/dissertation is feasible, economical and original.

DNB candidates are required to submit their thesis before the cut off date which shall be 30th June of same year for candidates appearing for their scheduled December final theory examination. Similarly candidates who shall be appearing in their scheduled June DNB final examination shall be required to submit their thesis by 31st of preceding December.

VII. NBE Journal “Astrocyte”

The official Journal of National Board of Examinations, Astrocyte was launched on 12th May, 2014 at Talkatora Stadium, New Delhi. It is a quarterly journal which shall be accessible free of cost for its readers.

Astrocyte is envisaged as a multi-disciplinary medical journal is an independent and authoritative window to current medical thought and research. The Journal provides an important platform in the field of Post Graduate medical education, training and assessment and is a responsive forum for practice changing continuing education, reflections, graduating and constructive debate. One of the important objectives for this Journal is to provide early exposure for publication for the budding specialists in various post graduate Programmes, be it a DNB or MD/MS/DM in the country.

The Journal because of its unique positioning and distinguished readership offers excellent opportunities for the young specialists and distinguished faculty to show case their work and make effective contribution in medical education and research.

NATIONAL BOARD OF EXAMINATIONS
Ministry of Health and Family Welfare Govt. of India
SCHEDULE FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED
31st MARCH, 2016

SCHEDULE: 24 & 25

A. SIGNIFICANT ACCOUNTING POLICIES (ILLUSTRATIVE)

The National Board of Examination is established by the Govt. of India in the Ministry of Health and Family Welfare in the year 1975 and it became an independent autonomous body with effect from March, 1982. The Rules and Regulations of the Board have been framed by the central Govt. The Board at present conducts postgraduate and postdoctoral examinations all over the country. It awards its own degree known as Diplomat of National Board which are equivalent to MD/MS/DM/Mch of other Indian Universities as recognized by the Govt. of India and are included in the First Schedule of the Indian Medical Council Act 1956. The Board since its inception follows by and large the financial policies as laid down by the Central Govt. Almost all the revenue and capital expenditure is being met out from its own generated fund. This is non-profit making organization. The Accounts of the Board are audited by the Comptroller and Auditor General of India.

1. The financial statements are prepared on cash basis including interest of FDRs accounted for when it's matured or renewed.
2. The Board is an autonomous body and has been created by the Govt. of India. All the receipts and payments are accounted for in government pattern and as such Income Tax is not payable on the savings.
3. Revenue from students as examination fee, enrollment fee, FMGE, sale of application form etc. is recognized when received.
4. Fixed assets are stated at cost of acquisition inclusive of inward freight, duties and taxes related to acquisition less depreciation thereon.
5. Annual Prize Fund has been created by donations received from various High Dignitaries for award of Gold Medals in various specialties. The income on account of interest is added to fund and expenditure made is reduced from the fund itself. It is liability on the Board.
6. Liability towards pension and gratuity payable on death/retirement of employees is accrued based on actuarial valuation.
7. All deposits are made in the Nationalized Banks and in Government Securities.
8. Previous year's figures are regrouped, rearranged wherever necessary.
9. Depreciation is charged on fixed assets at the rates prescribed under the Income tax act, 1961 on written down value, except land including leasehold land on which no depreciation is to be provided.

10. The amount given by the various hospitals/ medical colleges for their accreditation is booked as advance until the accreditation is approved. After the approval, the same is booked as income of the Board.
11. Provisions for accumulated leave encashment benefit to the employees is incurred and computed on the assumption that employees are entitled to receive the benefit as at each year end.

SCHEDULE: 25

NOTES TO ACCOUNTS

1. Out of the accreditation fee received from various Hospital/Medical colleges till the end of the financial year, an amount of Rs. 25,03,90,000/- for which accreditation was not approved till the end of the year was shown under current liabilities in the balance sheet. The amount will be adjusted in the subsequent financial year in which the decision of the approval of their accreditation is finalized.
2. An unutilized amount of Rs. 17,79,624/- is carried forward from previous financial year towards receipts from Department of Biotechnology, Ministry of Science and Technology, Govt. of India for the purpose of "Implementation of 3-year DNB Program in Medical Genetics". The same has partially utilized during the current financial year, and the balance has been shown under current liabilities in the balance sheet.

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of National Board of Examinations for the year ended 31 March, 2016.

1. We have audited the attached Balance Sheet of National Board of Examinations (Board) as at 31 March, 2016, the Income & Expenditure Account and Receipts & Payments Account of the year ended on that date under Section 20(I) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period upto 2017-18. These financial statements are the responsibility of the Board's management. Our responsibility is to express an opinion on these financial statement based on our audit.
2. This Separate Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transaction with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.
3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. Based on our audit, we report that:
 - i We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - ii The Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report have been drawn up in the uniform format of accounts prescribed by the Ministry of Finance, Government of India.
 - iii In our opinion, proper books of accounts and other relevant records have been maintained by the National Board of Examinations in so far as it appears from our examination of such books.
 - iv We further report that:

A. Balance Sheet

A.1 Liability

A.1.1 Current Liabilities and Provisions ₹28.53 crore

Provision for gratuity and leave encasement as required in the uniform format of accounts for the central autonomous bodies was not made on actuarial basis.

A.2 Assets

A.2.1 Fixed Assets ₹143.40 crore

Leasehold land of ₹1.24 crore was not amortized over the period of lease resulting in understatement of expenditure and overstatement of fixed assets. The period of lease was not intimated to audit as result the amount of amortization could not be worked out.

B. General

B.1 As per Uniform Format of Accounts, accounts should be maintained on accrual basis but the board is maintaining accounts on cash basis.

C. Grants in aid

The Board had not received any grant from the Ministry of Health & Family Welfare during 2015-16. The Board had its own receipt ₹117.02 crore out of which ₹91.59 crore was utilized as on 31st March, 2016.

v Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & payments Account dealt with by this report are in agreement with the books of accounts.

vi In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting, Policies and Notes on Accounts and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report given a true and fair view in conformity with accounting principles generally accepted in India:

a. In so far as it relates to the Balance Sheet, of the state of affairs of the National Board of Examinations as at 31 March, 2016; and

b. In so far as it relates to Income & Expenditure Account of the surplus for the year ended on that date.
