NOTICE

Subject: One-time relaxation regarding submission of AQRC Certificate for PDCET 2026 Counselling

NBEMS has received representations from candidates participating in the PDCET 2026 counselling regarding the submission of the AQRC Certificate. Some candidates have informed NBEMS that they have not yet obtained the AQRC Certificate as they had not applied for the same before the commencement of counselling.

The matter has been examined by the Competent Authority. Keeping in view the difficulties faced by such candidates, it has been decided to grant a **one-time relaxation** regarding submission of the AQRC Certificate.

Accordingly, candidates who are unable to produce the AQRC Certificate at the time of counselling may be permitted to participate in the counselling process, subject to the following conditions:

1. The candidate must have applied for the AQRC Certificate and shall submit acknowledgement/receipt of such application issued by the concerned authority.
2. The candidate shall submit a duly signed undertaking in the prescribed format, along with a copy of the MBBS Registration Certificate, stating that the AQRC Certificate has been applied for and that the AQRC Certificate shall be submitted to NBEMS immediately upon its issuance and, in any case, not later than 03 (three) months from the date of submission of the undertaking.
3. The candidate shall be solely responsible for any consequences arising out of non-submission of the AQRC Certificate within the stipulated period or submission of any false, incorrect or misleading information.
4. This relaxation is being granted as a one-time measure only for PDCET 2026 counselling and shall not be treated as a precedent for any future counselling session or admission process.

Candidates are advised to obtain the AQRC Certificate at the earliest and submit the same to NBEMS within the stipulated period of 03 (three) months, failing which appropriate action, including cancellation of candidature/admission, may be taken in accordance with the applicable rules.
