MEDICAL COUNSELLING COMMITTEE
NIRMAN BHAWAN, NEW DELHI-110108

Ref. U-12021/06/2021-MEC

Dated: 05-10-2021

NOTICE

Urgent Attention DNB Institutes:

DNB Institutes participating in common PG Counselling 2021 may please note the following points:

1. This year the Seat Matrix for DNB Institutes will be provided by NBE Authorities. Therefore, DNB Institutes are not required to enter their seats on intramcc portal. However, the Institutes should mandatorily log in to the intramcc portal with the User Id & Password provided to them by MCC and fill their Institute Profile failing which their account will not be activated. As a result, the seats of the Institute will not be visible at the time of Choice Filling.
2. MCC will upload Tentative Seat Matrix as provided by NBE for PG Counselling for verification at the Institute Level. All Institutes are required to verify Tentative Seat Matrix w.r.t their number of seats, as per schedule which will be uploaded on MCC (www.mcc.nic.in) & intramcc (www.intramcc.nic.in) website. Any discrepancy found may immediately informed to MCC.
3. All the admissions have to be entered on intramcc portal and the Admission Letters have to be generated through portal at the time of Reporting. Any admission which is not taken through the portal will be treated as 'Null & Void'. As a result the seat will be shown as vacant in the portal and will be reverted for allotment in next round by the software.
