

## NATIONAL BOARD OF EXAMINATIONS NEW DELHI

Dated: 4<sup>th</sup> May 2021

### NOTICE

\*\*\*\*

**Subject: Advisory for Final Year DNB/DrNB/FNB trainees in view of extraordinary situation due to surge in COVID-19 cases**

1. NBE vide its notice dated 18.01.2021 has extended the training of all the NBE trainees of following batches whose scheduled tenure is ending in 2021, by a period of “three months” beyond their scheduled date of completion of training, across all the courses (DNB/DrNB/FNB).

Course	Admission Session
DNB Broad Specialty (Post MBBS)	2018
DrNB Super Specialty	2018
DNB Broad Specialty (Post Diploma)	2019
FNB	2019

2. It was also specified that the period of extension shall be further aligned to the training period, if and when extended by the National Medical Commission (NMC) for its courses.
3. Now, the NMC vide its advisory No. NMC/Secy/2021/25 dated 27-04-2021 regarding Final Year Postgraduate (MD/MS/Diploma) students in view of extraordinary situation due to surge in COVID-19 cases has notified that the services of these postgraduate students as Residents may be continued to be utilized till fresh batches of postgraduate students have joined.
4. In continuation of NBE notice dated 18.01.2021 and in line with the above referred NMC advisory dated 27.04.2021, it has been decided that the services of all DNB/DrNB/FNB trainees of above mentioned batches as Residents may be continued to be utilized at NBE accredited hospitals, over and above their mandatory 3 months' extension, till fresh batches for 2021 admission session have joined or counseling for NEET-PG 2021 is concluded, whichever is earlier.
5. All DNB/DrNB/FNB trainees are required to discharge the duties as may be prescribed by their hospitals in this time of National exigency.
6. The NBE Accredited hospitals are required to pay the stipend to the trainees as per the stipend guidelines of NBE
