Notice

Date: 06-08-2026

विषय: प्रत्यायन एवं प्रवेश हेतु एनबीईएमएस की संशोधित प्रक्रिया/मानदंड - के संबंध में

Subject: Revision in NBEMS Accreditation & Admission Process/Criteria – Regarding

कृपया ध्यान दें: सभी अस्पताल / मेडिकल कॉलेज / चिकित्सा संस्थान

Kind Attention: All Hospitals / Medical Colleges / Medical Institutions

एनबीईएमएस प्रत्यायन तथा एनबीईएमएस पाठ्यक्रमों में प्रवेश को नियंत्रित करने वाली प्रक्रिया एवं मानदंडों में संशोधन एवं अद्यतन किए गए हैं।

Revision and updates have been introduced in the process and criteria governing NBEMS Accreditation as well as admission to NBEMS courses:

अनुक्रमणिका / Index

Sr. No.	Revision / Updates	Page No.
A.	NBEMS से प्रत्यायन प्राप्त अस्पतालों / मेडिकल संस्थानों द्वारा अनिवार्य उद्घोषणा Mandatory disclosure by NBEMS Accredited Hospitals / medical Institutions	2-3
B.	OPJR (ऑनलाइन पोर्टल फॉर जॉइनिंग एवं पंजीकरण) पर NBEMS पाठ्यक्रमों में नामांकन से पूर्व प्रशिक्षुओं के दस्तावेज़ सत्यापन हेतु NBEMS दिशा-निर्देशों का कठोर अनुपालन / Strict Adherence to NBEMS Guidelines on Document Verification of Trainees Prior to Enrolment in NBEMS Courses on OPJR (Online Portal for Joining & Registration):	3-4
C.	नए NBEMS पाठ्यक्रमों की शुरुआत / Launch of New NBEMS Courses: i. Diploma in Nuclear Medicine ii. DNB Trauma and Acute Care Surgery iii. DrNB Paediatric Hemato Oncology iv. DrNB Pulmonary Medicine v. DrNB Head & Neck Oncology vi. FNB Paediatric Rheumatology and Clinical Immunology vii. FNB Upper GI Surgery viii. FNB Hepato Pancreato Biliary Surgery ix. FNB Asthma, Allergy and Applied Immunology x. FNB Interventional Pulmonology xi. FNB Breast Surgery	5-22
D.	न्यूनतम प्रत्यायन मानदंडों में संशोधन / Revision of Minimum Accreditation Criteria: i. Clinical Establishment ii. Refund of Accreditation Fee iii. Stipend to NBEMS Diploma Trainees	22-24

A. NBEMS से प्रत्यायन प्राप्त अस्पतालों / मेडिकल संस्थानों द्वारा अनिवार्य उद्घोषणा / Mandatory disclosure by NBEMS Accredited Hospitals / Medical Institutions:

स्नातकोत्तर चिकित्सा शिक्षा एवं प्रशिक्षण में पारदर्शिता बनाए रखने तथा उच्चतम मानकों को सुनिश्चित करने हेतु, **नेशनल बोर्ड ऑफ एग्जामिनेशन्स इन मेडिकल साइंसेज़ (NBEMS)** सभी प्रत्यायन प्राप्त संस्थानों को निर्देश देता है कि वे अपने प्रशिक्षण अधोसंरचना, संकाय तथा नैदानिक कार्यभार से संबंधित आवश्यक जानकारी सार्वजनिक रूप से उपलब्ध कराएँ।

तदनुसार, सभी NBEMS प्रत्यायन प्राप्त अस्पतालों एवं संस्थानों को निम्नलिखित अनिवार्य उद्घोषणा आवश्यकताओं का पालन करना होगा:

- समर्पित वेब लिंक** संस्थान अपनी आधिकारिक वेबसाइट के होमपेज पर “NBEMS Mandatory Disclosures” शीर्षक से एक स्पष्ट एवं प्रमुख लिंक बनाएँ।
- प्रो-फॉर्मा का होस्टिंग** विवरण केवल निर्दिष्ट प्रारूप में ही अपलोड किए जाएँ। ([निर्दिष्ट प्रारूप डाउनलोड करने के लिए यहाँ क्लिक करें](#))
- त्रैमासिक अद्यतन** अधोसंरचना, संकाय, बेड अधिभोग तथा वजीफे से संबंधित जानकारी प्रत्येक तिमाही के प्रथम सप्ताह में समीक्षा कर अद्यतन की जाए।

अनुपालन अनिवार्य है। अनुपालन न करने, अद्यतन न करने अथवा गलत/भ्रामक जानकारी प्रदर्शित करने की स्थिति में प्रत्यायन की प्रक्रिया, नवीनीकरण तथा केंद्रीकृत परामर्श सीट मैट्रिक्स में सीटों के समावेश पर प्रतिकूल प्रभाव पड़ सकता है।

सभी नव-प्रत्यायन प्राप्त संस्थान (प्रत्यायन प्राप्ति की सूचना मिलने पर) तथा सभी पूर्व से प्रत्यायन प्राप्त संस्थान:

- इस निर्देश को तत्काल लागू करें तथा परिपत्र जारी होने की तिथि से **3 माह** के भीतर अनुपालन सुनिश्चित करें।
- NBEMS को उद्घोषणा पृष्ठ का प्रत्यक्ष वेबलिंक उपलब्ध कराएँ (उदा. <https://www.natboard.edu.in/<respective disclosure page>>)। यह लिंक सीधे उद्घोषणा पृष्ठ पर पहुँचे, न कि अस्पताल की वेबसाइट के होमपेज पर।

वेबलिंक को **ऑनलाइन प्रत्यायन आवेदन पोर्टल** (<https://accr.natboard.edu.in>) पर लॉगिन कर “Update Profile” अनुभाग में अद्यतन कर प्रस्तुत करना अनिवार्य है।

In order to uphold transparency and maintain the highest standards of postgraduate medical education and training, the **National Board of Examinations in Medical Sciences (NBEMS)** requires all accredited institutions to make essential information about their training infrastructure, faculty, and clinical workload publicly accessible.

Accordingly, all NBEMS-accredited hospitals and institutes are directed to comply with the following mandatory disclosure requirements:

- Dedicated Web Link** Institutions shall create a clearly visible link titled “NBEMS Mandatory Disclosures” on the homepage of their official website.
- Hosting of Pro-forma** Details must be uploaded strictly in the prescribed format. ([Click here to download the format](#))

- iii. **Quarterly Updates** Information on infrastructure, faculty, bed occupancy, and stipends must be reviewed and updated in the first week of every quarter.

Compliance is mandatory. Non-compliance, failure to update, or display of incorrect/misleading information will adversely affect accreditation processing, renewal, and inclusion of seats in the centralized counselling matrix.

All newly accredited institutes, upon receipt of accreditation, and all existing accredited institutes must:

- Implement this directive immediately and ensure compliance within **3 months** of issuance.
- Provide NBEMS with the direct weblink to the disclosure page (e.g., <https://www.natboard.edu.in/<<respective disclosure page>>/>). This link should navigate **directly to the concerned disclosure page** instead of navigating to the home page of hospital's website.

The weblink must be submitted through the **Online Accreditation Application Portal** (<https://accr.natboard.edu.in>) by logging in and accessing the “**Update Profile**” section.

B. OPJR (ऑनलाइन पोर्टल फॉर जॉइनिंग एवं पंजीकरण) पर NBEMS पाठ्यक्रमों में नामांकन से पूर्व प्रशिक्षुओं के दस्तावेज़ सत्यापन हेतु NBEMS दिशा-निर्देशों का कठोर अनुपालन / Strict Adherence to NBEMS Guidelines on Document Verification of Trainees Prior to Enrolment in NBEMS Courses on OPJR (Online Portal for Joining & Registration):

NBEMS पाठ्यक्रमों में प्रवेश हेतु आयोजित काउंसलिंग प्रक्रिया के पश्चात्, अभ्यर्थियों का उनके आवंटित सीटों पर जॉइनिंग संबंधित NBEMS प्रत्यायन प्राप्त अस्पतालों/संस्थानों द्वारा की जाती है। प्रत्येक प्रत्यायन प्राप्त अस्पताल इस बात के लिए पूर्णतः उत्तरदायी है कि प्रत्येक प्रशिक्षु, संबंधित प्रवेश परीक्षा के लिए प्रकाशित सूचना बुलेटिन तथा संबंधित काउंसलिंग प्राधिकरण द्वारा जारी हैंडबुक में निर्दिष्ट सभी पात्रता मानदंडों को पूरा करता हो।

अभ्यर्थियों की पात्रता का सत्यापन इन निर्धारित मानदंडों के अनुसार ही किया जाना चाहिए। हाल के मामलों में यह देखा गया है कि कुछ अस्पतालों/संस्थानों ने मूल दस्तावेजों और पात्रता मानदंडों का उचित सत्यापन किए बिना उम्मीदवारों को पाठ्यक्रम में शामिल होने की अनुमति दी। बिना उचित सत्यापन के किसी उम्मीदवार को शामिल करने से न केवल अयोग्य उम्मीदवार के प्रवेश का जोखिम उत्पन्न होता है, बल्कि संस्थान को संभावित मुकदमों के जोखिम में भी डालता है।

NBEMS ने इस मामले को अत्यंत गंभीरता से लिया है। तदनुसार, यह निर्णय लिया गया है कि एनबीईएमएस पाठ्यक्रमों में प्रवेश के उद्देश्य से आवश्यक दस्तावेज प्रदान करने में विफल रहने, या अनुमोदन, अग्रेषण, या झूठे, मनगढ़ंत, भ्रामक या असत्यापित रिकॉर्ड/दस्तावेज प्रस्तुत करने में चूक करने वाले किसी भी अस्पताल पर **ऐसे प्रत्येक उम्मीदवार के लिए 1,00,000 रुपये (केवल एक लाख रुपये) का मौद्रिक जुर्माना** लगाया जाएगा।

अस्पतालों को दृढ़ता से परामर्श दिया जाता है कि वे किसी भी उम्मीदवार को प्रवेश देने से पूर्व सभी मूल दस्तावेजों का कठोर एवं सूक्ष्म परीक्षण करें तथा OPJR पोर्टल /MCC पोर्टल पर उम्मीदवार पंजीकरण, उसके आवश्यक दस्तावेजों के अपलोडिंग एवं अन्य संबंधित औपचारिकताओं हेतु निर्धारित समयसीमा का भी पालन करें।

प्रशिक्षुओं तथा NBEMS प्रत्यायन प्राप्त अस्पतालों द्वारा प्रस्तुत किए जाने वाले **Joining एवं Self-Appraisal** की रूपरेखा परामर्श (Counseling) के दौरान NBEMS द्वारा अधिसूचित की जाती है। **Self-Appraisal** प्रक्रिया हेतु एक नमूना प्रो-फॉर्मा निम्नलिखित रूप से डाउनलोड किया जा सकता है:

[Click here for sample outline of Self-Appraisal Process](#)

Following the counseling process for admission to NBEMS courses, the joining of candidates to their allotted seats is carried out by the respective NBEMS-accredited hospitals/institutes. Each accredited hospital bears the sole responsibility of ensuring that every trainee satisfies all eligibility criteria as prescribed in the Information Bulletin for the relevant entrance examination and in the Handbook issued by the concerned counseling authority(ies).

The eligibility of candidates must be verified strictly in accordance with these prescribed criteria. In recent instances, it has been observed that certain hospitals/institutions permitted candidates to join courses without proper verification of original documents and eligibility criteria. Permitting a candidate to join without due verification not only risks admitting an ineligible candidate but also exposes the institution to potential litigation.

NBEMS has viewed the matter with utmost seriousness. Accordingly, it has been decided that **a monetary penalty of INR 1,00,000/- (Rupees One Lakh only) per such candidate** shall be imposed on any hospital found to be in default by failing to provide the requisite documents, or by approving, forwarding, or submitting false, fabricated, misleading, or unverified records/documents for the purpose of admission to NBEMS courses.

NBEMS accredited Hospitals are strongly advised to rigorously and meticulously examine all original documents prior to admitting a candidate and must also adhere to the prescribed timelines for candidate registration, uploading of his/her requisite documents, and other related formalities on the OPJR portal / MCC portal.

Outline for submission of **Joining & Self Appraisal** to be submitted by trainees and NBEMS accredited hospitals are notified by NBEMS during the counseling. A sample proforma for **self-appraisal** process can be downloaded as under:

[Click here for sample outline of Self-Appraisal Process](#)

C. नए एनबीईएमएस पाठ्यक्रमों की शुरुआत / Launch of New NBEMS Courses

i. डिप्लोमा - न्यूक्लियर मेडिसिन / Diploma - Nuclear Medicine:

पाठ्यक्रम Course	Post MBBS Diploma	
स्पेशियलिटी Specialty	Nuclear Medicine	
कोर्स की अवधि Duration of Course	2 Years	
न्यूनतम प्रत्यायन मानदंड / आवश्यकता: Essential Minimum Accreditation Criteria / Requirement:		
अवसंरचना Infrastructure & अनिवार्य सुविधा Mandatory Facility	• Hospital Beds – 100 • PET-CT • Gamma camera with SPECT/ SPECT-CT • Radionuclide Therapy Facilities	
रोगी भार Patient Load	• 5-10 PET/CT per day • 5-10 SPECT/SPECT-CT per day	
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Experience in Nuclear Medicine required:	
	Senior Consultant	Junior Consultant
	5 years' experience post DNB / MD in Nuclear Medicine or Equivalent	2 years' experience post DNB / MD in Nuclear Medicine or Equivalent
प्रवेश योग्यता Entry Qualification	MBBS	
इसके अलावा, डिप्लोमा न्यूक्लियर मेडिसिन कोर्स पर वे सभी सामान्य न्यूनतम एक्क्रेडिटेशन मानदंड भी लागू होंगे जो नवीनतम सूचना बुलेटिन (डिप्लोमा कोर्स के लिए) में बताए गए हैं। Apart from the above, all other general minimum accreditation criteria, as specified in the latest Information Bulletin (for Diploma Courses), shall also be applicable to the Diploma Nuclear Medicine Course.		

ii. डीएनबी – ट्रॉमा और एक्यूट केयर सर्जरी / DNB – Trauma and Acute Care Surgery:

पाठ्यक्रम Course	Diplomate National Board (DNB)
स्पेशियलिटी Specialty	Trauma and Acute Care Surgery
कोर्स की अवधि Duration of Course	3 Years
न्यूनतम प्रत्यायन मानदंड / आवश्यकता: Essential Minimum Accreditation Criteria / Requirement:	

अवसंरचना Infrastructure	• Departmental Beds-20 • Dedicated 24*7 Major OT-02 (with GA facility) • Dedicated 24*7 Minor OT-01 • Dedicated Plaster room-01 • Surgical ICU beds-05 • Essential Facilities (In-house) ○ Dedicated Portable X-Ray machine – 01 ○ Dedicated Portable USG with Colour Doppler – 01 ○ 24*7 multi-slice CT scan - 01 ○ 24*7 Blood bank/Storage facility ○ 24*7 Lab facilities for routine blood Investigations		
रोगी भार Patient Load	• Surgical OPD attendance to Emergency Dept. (traumatic +non-traumatic) -1500 / year. • Surgical IPD admission to Emergency Dept. (traumatic +non-traumatic)- 350 / year.		
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Experience Required:		
	Qualification	Post Qualification Experience	
		Senior Consultant	Jr. Consultant
	DNB/MS - General Surgery	8 Years	5 Years
	OR		
	MS - Traumatology and Surgery	8 Years	5 Years
	OR		
	MCh - Trauma and Critical Care Surgery	5 Years	2 Years
	OR		
	FNB - Trauma & Acute Care Surgery* (post DNB/MS Fellowship)	8 Years	5 Years
* FNB will be counted against the experience.			
Faculty undertaking stating that they are working exclusively in the department required.			
परिवर्ती नियुक्ति Rotational Posting	Year	Posting*	Duration
	1 st year	General Surgery	6 months
		Trauma Resuscitation / Emergency	3 months
		Intensive Care (Surgical ICU)	3 months
	2 nd year	General Surgery	6 months
		Orthopaedic Surgery	3 months
		Neurosurgery	2 months
		Cardiothoracic & Vascular Surgery	1 month
	3 rd year	Radiology	4 weeks
Burns & Plastic Surgery		6 weeks	

		Forensic Medicine	2 weeks
		Trauma Surgery Unit	3 months
		Trauma Surgery (including 2 weeks Obstetrics exposure)	6 months
प्रवेश योग्यता Entry Qualification	MBBS		
<i>इसके अलावा, DNB/DrNB/FNB कोर्स के लिए लेटेस्ट इन्फॉर्मेशन बुलेटिन में बताए गए एक्क्रेडिटेशन के सभी सामान्य न्यूनतम मानदंड, DNB टॉमा और एक्यूट केयर सर्जरी कोर्स पर भी लागू होंगे।</i>			
<i>Apart from the above, all other general minimum accreditation criteria, as specified in the latest Information Bulletin (for DNB/DrNB/FNB Courses), shall also be applicable to the DNB Trauma and Acute Care Surgery Course.</i>			

iii. डीआरएनबी - बाल चिकित्सा हेमाटो ऑन्कोलॉजी / DrNB Paediatric Hemato Oncology:

पाठ्यक्रम Course	Doctorate National Board (DrNB)
स्पेशियलिटी Specialty	Paediatric Hemato Oncology
कोर्स की अवधि Duration of Course	3 Years
न्यूनतम प्रत्यायन मानदंड / आवश्यकता: Essential Minimum Accreditation Criteria / Requirement:	
अवसंरचना Infrastructure	Program is a subspecialty skill-based program wherein requirement of beds & IPD services can be part and parcel of the main clinical department; The hospital should have minimum beds in respective broad/ super specialty department and required case load and spectrum of diagnosis in respective sub-specialty.
भौतिक सुविधाएँ एवं सहायक सेवाएँ Physical Facilities & Supportive Services	A. Out Patient Department: The applicant hospital should possess adequate space for: a) Registration of patients along with facilities for centralized & computerized record keeping with proper indexing (such as HIS data etc.) b) Adequate number of rooms for examining the patients in privacy. c) Case conference room/ teaching room in OPD area d) One or more side rooms for OPD procedures dressings etc. e) Side laboratory to provide immediate facilities, for routine investigative procedures etc. B. In-Patient Department: The hospital should possess adequate space for doctor's duty room with adequate facilities for toilet, adequate space for each bed and in between, for side laboratory, for clinical investigations and separate room for clinical conference (ward teaching) etc. Emergency Medical/ Critical Care: The applicant hospital should have 24 hours' emergency and critical care services having adequate number of beds with supportive facilities for resuscitation and good medical cover, including Emergency Surgery O.T., ICU etc.

	C. Supportive Services: The applicant hospital should have provisions for necessary supportive services for patient care as well as training of DNB & FNB trainees such as: - Radiology & Essential Imaging modalities - Clinical Biochemistry - Clinical Haematology - Clinical Microbiology - Surgical Pathology/ Histopathology, Cytology - Blood Bank - Dietetics department with qualified dietician - CSSD - Medical Record Department - Any special diagnostic or therapeutic support service required for the applicant department.		
रोगी भार Patient Load	Paediatrics: - OPD - 2500 per year - IPD- 1000 per year Paediatric Hemato Oncology: - OPD - 2500 per year - IPD - 1000 per year - Childhood Cancer – 75 cases per year - Paediatric Blood Disorders – 150 case per year (excluding nutritional anemia cases) - Hematopoietic Stem Cell transplantation – 12 new cases per year Cancer centres offering this program that do not have a dedicated paediatric haematology service must establish a formal Memorandum of Understanding (MoU) with another centre. This agreement should ensure that students are appropriately rotated and receive adequate exposure to paediatric haematology cases and instruction/ teaching in the subject. The applicant hospital / medical institute must be concurrently accredited / recognized for DNB/MD in Paediatrics for running DrNB Paediatric Hemato Oncology course except those which are the exclusive Haematology Oncology centres.		
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Exclusive Experience in Paediatric Hemato Oncology Required:		
	Qualification	Exclusive Post Qualification Experience	
		Senior Consultant	Jr. Consultant
	DM Paediatric Hemato-Oncology or equivalent	5 Years	2 Years
	OR		
	DNB/DM (Haematology/Medical Oncology) or equivalent	5 Years of exclusive experience after DrNB/DM (Haematology/ Medical Oncology) after DNB/MD (Paediatrics)	2 Years of exclusive experience after DrNB/DM (Haematology/ Medical Oncology) after DNB/MD (Paediatrics)

	OR		
	DM Paediatric Oncology or equivalent *The centres having a consultant DM in Paediatric Oncology or equivalent must have another consultant with training in Paediatric Haematology and vice versa	5 Years of exclusive experience after DM Paediatric Oncology after DNB/MD (Paediatrics)	2 Years of exclusive experience after DM Paediatric Oncology after DNB/MD (Paediatrics)
	OR		
	DNB/MD (Paediatrics) or equivalent*	8 Years exclusive experience in Paediatric Haemato-Oncology	5 Years exclusive experience in Paediatric Haemato-Oncology
	OR		
	FNB Paediatric Haemato Oncology	6 Years exclusive experience in Paediatric Haematology/ Paediatric Oncology	3 Years exclusive experience in Paediatric Haematology/ Paediatric Oncology
परिवर्ती नियुक्ति Rotational Posting	Nature of Rotation	Posting	Duration
	Externship on mutual exchange basis; Subject to mutual agreement between trainees and institute	A DNB/FNB trainee may be rotated to a NBEMS accredited department of another hospital by mutual exchange between accredited hospital/institution	Maximum period of 3 months in a 3 years training programme
प्रवेश योग्यता Entry Qualification	DNB/MD in Paediatrics		
विशेष टिप्पणियाँ Special Remarks	Overlapping of the FNB and DrNB programmes in Paediatric Haemato-Oncology at a hospital is not permitted.		
इसके अलावा, DrNB पीडियाट्रिक हेमाटो-ऑन्कोलॉजी कोर्स पर वे सभी सामान्य न्यूनतम एक्केडिटेशन मानदंड भी लागू होंगे जो नवीनतम इन्फॉर्मेशन बुलेटिन (DNB/DrNB/FNB कोर्स के लिए) में बताए गए हैं। Apart from the above, all other general minimum accreditation criteria, as specified in the latest Information Bulletin (for DNB/DrNB/FNB Courses), shall also be applicable to the DrNB Paediatric Hemato Oncology Course.			

iv. डीआर.एन.बी. पल्मोनरी मेडिसिन / DrNB Pulmonary Medicine:

पाठ्यक्रम Course	Doctorate National Board (DrNB)
स्पेशियलिटी Specialty	Pulmonary Medicine

कोर्स की अवधि Duration of Course	3 Years
न्यूनतम प्रत्यायन मानदंड / आवश्यकता: Essential Minimum Accreditation Criteria / Requirement:	
अवसंरचना Infrastructure	• Respiratory Medicine OPD with facilities for spirometry and nebulization. • 20 departmental beds. • Respiratory Intensive Care Unit (RICU) with 6 beds equipped with advanced ventilatory support (invasive and non-invasive ventilators), monitoring systems. • Pulmonary Function Test (PFT) Laboratory. • Bronchoscopy Suite (conforming to infection control and sedation standards). • Sleep Laboratory. • Pleural Procedure Room.
सहायक नैदानिक एवं उपचारात्मक सुविधाएँ Supporting Diagnostic & Therapeutic Facilities	• Radiology: Access to High-Resolution Computed Tomography (HRCT), CT Pulmonary Angiography, and Ultrasound. • Pathology: On-site Cytology (for EBUS/TBNA) and Histopathology services. • Microbiology: Fully equipped lab for smear, culture (LJ & MGIT), and molecular diagnostics (CBNAAT, GeneXpert) for TB and other pathogens. Nuclear Medicine & Pulmonary Rehabilitation: Access to facilities for V/Q scans and a structured pulmonary rehabilitation program.
रोगी भार Patient Load	A. Case Load: • OPD – 3000 per year • IPD – 750 per year B. Minimum Case Mix/Procedures/Surgeries (per year): Bronchoscopy • Diagnostic – 500 • Interventional (Therapeutic, EBUS, Navigation, Hot and Cold) - 50 (EBUS)/ Optional others Pleural Procedures • Thoracentesis - 150 • Chest Tube Insertion - 80 • Medical Thoracoscopy – 30 Sleep Medicine • Polysomnography & Titration Studies – 200 Pulmonary Function Tests (PFT) • Spirometry - 1,500 • DLCO - 1000 • Complete PFT Labs (Including Body Box) - 500

	• Cardiopulmonary Exercise Test (CPET) (Optional) – 20 Critical Care • Invasive Mechanical Ventilation - 300 • Non-Invasive Ventilation (NIV) – 500 Others • USG Chest (Point-of-Care) – 300 • ABG Analysis - 2,000 C. Spectrum of Diagnosis: • Airway Diseases: Asthma, COPD, Bronchiectasis, Cystic Fibrosis. • Parenchymal Lung Diseases: Interstitial Lung Diseases (IPF, NSIP, Sarcoidosis), Pneumonias (community-acquired, hospital-acquired, ventilator-associated). • Pulmonary Vascular Diseases: Pulmonary Embolism, Pulmonary Hypertension. • Pleural Diseases: Pleural Effusions (transudative & exudative), Empyema, Pneumothorax. • Thoracic Malignancies: Lung Cancer (NSCLC, SCLC), Mesothelioma, Metastatic disease. • Sleep-Disordered Breathing: Obstructive Sleep Apnea, Obesity Hypoventilation Syndrome. • Respiratory Infections: Tuberculosis (DS & MDR), Fungal infections, Atypical pneumonias. • Occupational & Environmental Lung Diseases: Pneumoconiosis, Hypersensitivity Pneumonitis. • Respiratory Failure: Acute and Chronic, requiring both invasive and non-invasive support.	
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Experience Required:	
	Senior Consultant	Junior Consultant
	DNB/MD Respiratory Medicine or equivalent + 08 years of experience in Respiratory / Pulmonary Medicine	DNB/MD Respiratory Medicine or equivalent + 05 years of experience in Respiratory/Pulmonary Medicine
	OR	
	DM/DrNB Pulmonary Medicine + 05 years post PG experience	DM/DrNB Pulmonary Medicine + 02 years post PG experience
प्रवेश योग्यता Entry Qualification	Minimum entry qualification for candidates shall be equivalent to that of the DM Pulmonary Medicine course (NMC criteria).	
इसके अलावा, DrNB पल्मोनरी मेडिसिन कोर्स पर वे सभी सामान्य न्यूनतम एक्क्रेडिटेशन मानदंड भी लागू होंगे जो नवीनतम इन्फॉर्मेशन बुलेटिन (DNB/DrNB/FNB कोर्स के लिए) में बताए गए हैं।		
Apart from the above, all other general minimum accreditation criteria, as specified in the latest Information Bulletin (for DNB/DrNB/FNB Courses), shall also be applicable to the DrNB Pulmonary Medicine Course		

v. डीआर.एन.बी. हेड एंड नेक ऑन्कोलॉजी / DrNB Head & Neck Oncology:

पाठ्यक्रम Course	Doctorate National Board (DrNB)	
स्पेशियलिटी Specialty	Head & Neck Oncology	
कोर्स की अवधि Duration of Course	3 Years	
न्यूनतम प्रत्यायन मानदंड / आवश्यकता: Essential Minimum Accreditation Criteria / Requirement:		
अवसंरचना Infrastructure	• Hospital Beds -100. • Departmental Beds -20 • Dedicated Surgical ICU. • HN examination rooms with appropriate telescopes and Office biopsy infrastructure • Fibreoptic Naso laryngoscope • Operating Microscope	
संबद्ध विभाग Allied Departments	• Medical Oncology • Radiation Oncology • Onco Pathology • Onco Radiology • Plastic/ Reconstructive services • Nutrition, Physiotherapy, Speech &Swallowing, Maxillofacial Prosthesis and Dental Oncology	
रोगी भार / शल्य भार Patient Load / Surgical Load	• OPD Attendance – 1200 per year • IPD Admission – 500 per year • Head & Neck Oncology Surgeries – 300 per year	
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Experience Required:	
	Senior Consultant	Junior Consultant
	MCh Head & Neck/ MCh Surgical Oncology / DrNB Surgical Oncology with 5 years' experience after qualifying minimum eligible qualification	MCh Head & Neck/ MCh Surgical Oncology / DrNB Surgical Oncology with 2 years' experience after qualifying minimum eligible qualification
	OR	
	DNB or MS ENT/General Surgery with 8 years of experience in Head & Neck Surgical Oncology after PG qualification. (Period of FNB - Head & Neck Oncology will count against need of experience.)	DNB or MS ENT/General Surgery with 5 years of experience in Head & Neck Surgical Oncology after PG qualification. (Period of FNB - Head & Neck Oncology will count against need of experience.)
प्रवेश योग्यता Entry Qualification	Minimum entry qualification for candidates shall be equivalent to that of the MCh Head and Neck Oncology course (NMC criteria).	

विशेष टिप्पणियाँ Special Remarks	Overlapping of the FNB and DrNB programmes in Head and Neck Oncology at a hospital is not permitted.
इसके अलावा, DrNB हेड एंड नेक ऑन्कोलॉजी कोर्स पर वे सभी सामान्य न्यूनतम एक्क्रेडिटेशन मानदंड भी लागू होंगे जो नवीनतम सूचना बुलेटिन (DNB/DrNB/FNB कोर्स के लिए) में बताए गए हैं। <i>Apart from the above, all other general minimum accreditation criteria, as specified in the latest Information Bulletin (for DNB/DrNB/FNB Courses), shall also be applicable to the DrNB Head and Neck Oncology Course.</i>	

vi. एफएनबी पीडियाट्रिक रूमैटोलॉजी एंड क्लिनिकल इम्यूनोलॉजी / FNB Paediatric Rheumatology and Clinical Immunology:

पाठ्यक्रम Course	Fellow National Board (FNB)		
स्पेशियलिटी Specialty	Paediatric Rheumatology and Clinical Immunology		
कोर्स की अवधि Duration of Course	2 Years		
न्यूनतम प्रत्यायन मानदंड / आवश्यकता: Essential Minimum Accreditation Criteria / Requirement:			
अवसंरचना Infrastructure	Beds Requirement - NIL		
रोगी भार Patient Load	OPD – 2500 per year IPD - NIL		
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Exclusive Experience in Paediatric Rheumatology & Clinical Immunology Required:		
	Qualification	Exclusive Post Qualification Experience	
		Senior Consultant	Jr. Consultant
	DrNB / DM Clinical Immunology and Rheumatology with at least 1 faculty having postgraduate degree in Pediatrics.	5 Years	2 Years
	OR		
	DNB/MD Pediatrics	8 Years	5 Years
	Since this is a newly introduced course, the faculty requirement may be considered as one senior faculty member with at least eight years of experience in Paediatric Rheumatology. In the absence of a second Paediatric Rheumatologist at the centre initially, the second junior faculty member may be an Adult Rheumatologist or an Immunologist with a minimum of five years' post-MD/DNB experience.		
	Nature of Rotation	Posting for	Duration

बाह्य प्रशिक्षण Externship [optional]	Externship (As per NBEMS externship criteria) – [optional]	Adult Rheumatology	4 weeks
प्रवेश योग्यता Entry Qualification	DNB / MD in Paediatrics		
इसके अलावा, DNB/DrNB/FNB कोर्स के लिए लेटेस्ट इन्फॉर्मेशन बुलेटिन में बताए गए अन्य सभी सामान्य न्यूनतम एकेडिटेशन मानदंड भी FNB पीडियाट्रिक रूमेटोलॉजी और क्लिनिकल इम्यूनोलॉजी कोर्स पर लागू होंगे। <i>Apart from the above, all other general minimum accreditation criteria, as specified in the latest Information Bulletin (for DNB/DrNB/FNB Courses), shall also be applicable to the FNB Paediatric Rheumatology and Clinical Immunology Course.</i>			

vii. एफएनबी अपर जीआई शल्य चिकित्सा / FNB Upper GI Surgery:

पाठ्यक्रम Course	Fellow National Board (FNB)
स्पेशियलिटी Specialty	Upper GI Surgery
कोर्स की अवधि Duration of Course	2 Years
न्यूनतम प्रत्यायन मानदंड / आवश्यकता: Essential Minimum Accreditation Criteria / Requirement:	
अवसंरचना Infrastructure	Essential: • Hospital Beds – 100 • Departmental Beds – 20 including 4 HDU/ICU beds • Operating Theatres – 2 Dedicated OTs • Endoscopy Unit - Fully equipped with ERCP, EUS, therapeutic endoscopy. • Pathology - On-site histopathology with immunohistochemistry access. Desirable: Radiology - 24x7 CT/MRI/USG services; interventional radiology desirable.
रोगी भार Patient Load	• OPD – 300/year • IPD – 200/year • Surgical Load- 150/year Spectrum of Diagnosis/Surgeries: • Oesophageal Cancers: Adenocarcinoma, Squamous Cell Carcinoma • Oesophageal GIST / leiomyoma/ duplication cyst • Achalasia and Motility Disorders • Oesophageal diverticula • Gastro-oesophageal Reflux Disease and Hiatus Hernia • Diaphragmatic hernias

	• Barrett's metaplasia / early cancers • Corrosive injuries of Upper GI tract (acute and chronic) • Oesophageal emergencies: Perforation, Mallory-Weiss Tear, Foreign body • Acute Gastric Conditions: Acute gastric dilatation and gastric volvulus • Upper GI bleed (acute / occult/ obscure) • Peptic ulcer disease and its complications • GIST • Gastric malignancies • Gastric Lymphoma • Gastro duodenal NET • Duodenal malignancies • Gallstone disease • Splenomegaly • Surgical Nutrition • Morbid Obesity/ Bariatric surgery • Metabolic Surgery	
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Exclusive Experience Required:	
	Senior Consultant	Junior Consultant
	8 years' experience post MS/ DNB in General Surgery with 5 years' experience in Upper GI surgery	5 years' experience post MS/ DNB in General Surgery with 2 years' experience in Upper GI surgery
	OR	
	5 years' experience post Mch/DrNB in Surgical gastroenterology	2 years' experience post MCh/DrNB in Surgical gastroenterology
परिवर्ती नियुक्ति Rotational Posting	Name of Rotation	Duration
	Medical Gastroenterology/Endoscopy	3 months
	ICU	1 month
प्रवेश योग्यता Entry Qualification	The minimum entry qualification for candidates shall be MS/ DNB in General Surgery + 1-year experience in General Surgery/ GI Surgery in NBEMS/NMC accredited department.	
इसके अलावा, DNB/DrNB/FNB कोर्स के लिए लेटेस्ट इन्फॉर्मेशन बुलेटिन में बताए गए अन्य सभी सामान्य न्यूनतम एक्क्रेडिटेशन मानदंड भी FNB अपर GI सर्जरी कोर्स पर लागू होंगे। Apart from the above, all other general minimum accreditation criteria, as specified in the latest Information Bulletin (for DNB/DrNB/FNB Courses), shall also be applicable to the FNB Upper GI Surgery Course.		

viii. एफएनबी हेपेटो-पैंक्रियो-बिलियरी शल्य चिकित्सा / FNB Hepato Pancreato Biliary Surgery:

पाठ्यक्रम Course	Fellow National Board (FNB)		
स्पेशियलिटी Specialty	Hepato Pancreato Biliary Surgery		
कोर्स की अवधि Duration of Course	2 Years		
न्यूनतम प्रत्यायन मानदंड / आवश्यकता: Essential Minimum Accreditation Criteria / Requirement:			
अवसंरचना Infrastructure	Essential: • Hospital Beds – 100 • Departmental Beds – 20 • HDU/ICU Beds – 4 • Operating Theatres – 02 Dedicated OTs • Endoscopy Unit - Fully equipped with ERCP, EUS, therapeutic endoscopy. • Pathology - On-site histopathology with immunohistochemistry access. Desirable: Radiology - 24x7 CT/MRI/USG services; interventional radiology desirable.		
रोगी भार / प्रकरण मिश्रण / शल्य भार Patient Load/Case Mix/Surgical Load	Case Load/Case Mix/Surgeries Minimum Requirement (per year): • OPD Attendance -7200 • OPD Admission - 600 • Elective Surgeries - 240 major procedures (Max of 150 laparoscopic cholecystectomy) • Emergency Surgeries - 120 • Endoscopic Procedures - 100 ERCPs, 50 EUS, 200 Diagnostic Endoscopies. • Laparoscopic HPB Surgeries – 25 (Major) • Spectrum of Diagnosis: • Gallstones and CBD stones • Benign and malignant hepatobiliary diseases • Pancreatic tumours (benign/malignant) • Liver cysts, abscesses, hydatid disease • Choledochal cysts, bile duct injuries • Gallbladder cancer, HCC, cholangiocarcinoma, pancreatic cancer • Acute and chronic pancreatitis • Liver trauma and pancreatic trauma management • Biliary strictures and post-operative complications		
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Experience in Hepato Pancreato Biliary Surgery Required: <table> <tr> <th>Senior Consultant</th><th>Junior Consultant</th></tr> </table>	Senior Consultant	Junior Consultant
Senior Consultant	Junior Consultant		

	MCh/DrNB GI Surgery with 5+ years post-MCh/DrNB experience	MCh/DrNB GI Surgery with 2+ years post-MCh/DrNB experience
प्रवेश योग्यता Entry Qualification	The minimum entry qualification for candidates shall be MS/ DNB in General Surgery + 1-year experience in General Surgery/ HPB Surgery in NBEMS/NMC accredited department.	
<i>इसके अलावा, FNB हेपाटो-पैंक्रियाटो-बिलियरी सर्जरी कोर्स पर वे सभी सामान्य न्यूनतम एक्क्रेडिटेशन मानदंड भी लागू होंगे जो नवीनतम सूचना बुलेटिन (DNB/DrNB/FNB कोर्स के लिए) में बताए गए हैं।</i> <i>Apart from the above, all other general minimum accreditation criteria, as specified in the latest Information Bulletin (for DNB/DrNB/FNB Courses), shall also be applicable to the FNB Hepato Pancreato Biliary Surgery Course.</i>		

ix. एफएनबी अस्थमा, एलर्जी एवं अनुप्रयुक्त प्रतिरक्षा विज्ञान / FNB Asthma, Allergy and Applied Immunology:

पाठ्यक्रम Course	Fellow National Board (FNB)
स्पेशियलिटी Specialty	Asthma, Allergy and Applied Immunology
कोर्स की अवधि Duration of Course	2 Years
न्यूनतम प्रत्यायन मानदंड / आवश्यकता: Essential Minimum Accreditation Criteria / Requirement:	
अवसंरचना Infrastructure	Applicant hospital / medical institute should have a dedicated Allergy/Respiratory Medicine/Pulmonary Medicine/Pediatrics department as per NBEMS/NMC guideline with following extra infrastructures: • Three dedicated OPD rooms along with one nebulization/injection room equipped with oxygen supply and anaphylaxis management facilities. • One Pulmonary Function Test (PFT) laboratory. • One Allergy/Immunology laboratory with in-vivo allergy tests (SPT, Intradermal and Challenge tests) facilities. • One medical record room. • One office room. • Another Room- for teaching & training purposes as well as for resident's rest • X-ray facility (either in house or out-sourced) • Dedicated space for patient education (preventive technique and inhaler technique demonstration) • Two beds for day-care management. • One bed for allergy management. • Facility for management of allergic emergencies. • ICU facility. • In-vitro serum IgE allergen-specific assays facility (either in-house or through MoU). • Facilities for basic immunology work-up (either in-house or out-sourced)

	- Desirable In-house Department: - Dermatology - Otorhinolaryngology - Pediatrics - Ophthalmology - Gastroenterology		
रोगी भार Patient Load	I. MINIMUM PATIENT LOAD (Per Year): OPD (pertaining to allergy, asthma and applied immunology) -5000 IPD (pertaining to allergy, asthma and applied immunology) -200 II. Procedures (Per year): - Pulmonary Function test- 1000 - Allergy In-vivo tests (SPT, Intra-dermal/Patch test/Challenges) – 500 - Immunotherapy or Biological Treatment- 75 III. CLINICAL SPECTRUM - Asthma - Allergic Rhino sinusitis - Allergic conjunctivitis - Obstructive Sleep Apnea (Adeno-tonsillar hypertrophy) - Eczema (Atopic Dermatitis) - Contact Dermatitis - Urticaria - Angioedema - Anaphylaxis - Drug allergy - Food allergy - Insect/Venom Hypersensitivity - Mast cell disorder - Applied Immunology (Primary Immunodeficiency's)		
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Experience in Asthma, Allergy and Applied Immunology Required:

	OPD	1000/year
	IPD	300/year
	Minimum Essential Procedures	
	Procedure Category	Number/ Year
	Basic bronchoscopy (airway assessment, BAL)	300
	Endobronchial / transbronchial lung biopsies	50
	EBUS-TBNA (Linear)	100
	EBUS-TBNA (Radial)	20
	Rigid bronchoscopic interventions	30
	Medical thoracoscopy/pleuroscopy	20
	Airway dilation (balloon)	15
	Airway stent insertion / removal	10
	Electrocautery/APC	15
	Bronchoscopic Cryo	15
	Thoracentesis (ultrasound-guided) *	100
	Chest tube insertion*	30
	Pleural biopsy (image-guided) *	20
	Indwelling pleural catheter insertion *	10
	Pleurodesis *	10
	*If these procedures are performed in another department also based on local or institutional policy, the trainees need to be rotated for exposure of the same.	
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Experience in Interventional Pulmonology Required:	
	Qualification	Exclusive Post Qualification Experience
		Senior Consultant Jr. Consultant
	DNB/ MD Respiratory Medicine or equivalent	8 Years 5 Years
	OR	
	DM/DrNB Pulmonary Medicine	5 Years 2 Years
परिवर्ती नियुक्ति Rotational Posting	In addition to dedicated interventional pulmonology training, fellows should rotate through:	
	Posting	Duration
	Thoracic Surgery	02 weeks
	Radiology/Imaging and Interventional Procedures	04 weeks
	Pathology (for cytology and pathology correlation)	02 weeks
	Critical Care/ICU (for perioperative and ICU management)	06 weeks × 2

	Anaesthesia (for sedation, airway management and anaesthesia)	02 weeks
प्रवेश योग्यता Entry Qualification	MD/DNB Pulmonary Medicine/Respiratory Medicine or DM Pulmonology or equivalent	
इसके अलावा, FNB इंटरवेंशनल पल्मोनोलॉजी कोर्स पर वे सभी सामान्य न्यूनतम एक्क्रेडिटेशन मानदंड भी लागू होंगे जो नवीनतम इन्फॉर्मेशन बुलेटिन (DNB/DrNB/FNB कोर्स के लिए) में बताए गए हैं। <i>Apart from the above, all other general minimum accreditation criteria, as specified in the latest Information Bulletin (for DNB/DrNB/FNB Courses), shall also be applicable to the FNB Interventional Pulmonology Course.</i>		

xi. एफ़एनबी – ब्रेस्ट सर्जरी / FNB Breast Surgery:

पाठ्यक्रम Course	Fellow National Board (FNB)
स्पेशियलिटी Specialty	Breast Surgery
कोर्स की अवधि Duration of Course	2 Years
न्यूनतम प्रत्यायन मानदंड / आवश्यकता: Essential Minimum Accreditation Criteria / Requirement:	
अवसंरचना Infrastructure	• Departmental Beds: 20 • Major OT: 02 • Minor OT: 01 • Mandatory Departments/facilities within same campus: ➤ In-house a. Radio-Diagnosis with facilities for Digital mammogram, High resolution ultra sound, MRI and CT, stereotactic biopsy b. Pathology with facility for cytology, histopath, ELISA, IHC, frozen section facility c. Indocyanine Green (ICG) facility for Sentinel Lymph Node Biopsy d. Radiation Oncology e. Medical Oncology ➤ In-house or MoU a. Advanced Genetic Research Lab with FISH b. Nuclear Medicine
रोगी भार Patient Load	MINIMUM PATIENT LOAD (per year): • OPD-2000 • IPD- 500 • Breast Surgeries- 400 PROCEDURES (per year): • Breast conservation surgery- 50 • Modified radical mastectomy- 40 • Sentinel lymph node biopsy-30

	• Wire-guided excisions-20 • Oncoplastic procedures (Type I)- 25 • Oncoplastic procedures (Type II)- 15 • Breast reconstruction (implant/flap exposure)- 10 • Core needle biopsy- 30 • Intraoperative ultrasound- 10		
संकाय Faculty	Minimum Eligible Qualification(s) and Minimum Post Qualification Experience in Breast Surgery Required:		
	Qualification	Exclusive Post Qualification Experience	
		Senior Consultant	Jr. Consultant
	DNB/MS General Surgery	8 years of exclusive experience in comprehensive assessment and management of breast cancer and benign breast disease.	5 years of exclusive experience in comprehensive assessment and management of breast cancer and benign breast disease.
	OR		
MCh/DrNB Surgical Oncology	5 Years of exclusive experience in comprehensive assessment and management of breast cancer and benign breast disease.	2 Years of exclusive experience in comprehensive assessment and management of breast cancer and benign breast disease.	
प्रवेश योग्यता Entry Qualification	• MS/DNB General Surgery • Mch/ DrNB Surgical Oncology		
इसके अलावा, DNB/DrNB/FNB कोर्स के लिए लेटेस्ट इन्फॉर्मेशन बुलेटिन में बताए गए अन्य सभी सामान्य न्यूनतम एक्क्रेडिटेशन मानदंड भी FNB ब्रेस्ट सर्जरी कोर्स पर लागू होंगे। <i>Apart from the above, all other general minimum accreditation criteria, as specified in the latest Information Bulletin (for DNB/DrNB/FNB Courses), shall also be applicable to the FNB Breast Surgery Course.</i>			

D. न्यूनतम प्रत्यायन मानदंडों में संशोधन / Revision of Minimum Accreditation Criteria:

निम्नलिखित विद्यमान प्रत्यायन मानदंडों में संशोधन किया गया है:

The following existing accreditation criteria have been revised:

i. क्लिनिकल एस्टैब्लिशमेंट / Clinical Establishment:

Existing Criteria	Revised Criteria
The applicant hospital should have a minimum of 02 years of standing in clinical establishment before it can be considered for commencement of DNB, DrNB or FNB courses. However, the hospital can apply for seeking accreditation with NBEMS after completing 01 year in clinical operations. Years in clinical operation should be substantiated with supportive documents such as certificate of registration of the applicant hospital under applicable Acts & Rules. The hospitals failing to submit the required documents to substantiate the minimum required period in clinical operations (i.e. at least 01 year by the last date of application submission) shall not be processed.	a) For Broad Specialty Courses (DNB & Post MBBS Diploma): - No change in existing criteria. b) For Super Specialty & Fellowship Courses (DrNB & FNB): - The applicant hospital should have a minimum of 03 years of standing in clinical establishment before it can be considered for commencement of DrNB or FNB courses. However, the hospital can apply for seeking accreditation with NBEMS after completing 02 years in clinical operations. Years in clinical operation should be substantiated with supportive documents such as certificate of registration of the applicant hospital under applicable Acts & Rules. The hospitals failing to submit the required documents to substantiate the minimum required period in clinical operations (i.e. at least 02 years by the last date of application submission) shall not be processed.

ii. प्रत्यायन शुल्क की वापसी / Refund of Accreditation Fee:

Refund of Accreditation Fee*	Existing Terms & Conditions	Revised Terms & Conditions
90% of total fee + Applicable GST	If the application is withdrawn by the applicant hospital/institute within 4 weeks of the last date for submission of online application to NBEMS Incomplete applications which are summarily rejected without subjecting them to a detailed "Pre-assessment processing".	- If the application is withdrawn by the applicant hospital/institute within 4 weeks from the date of submission of online application to NBEMS (prior to physical assessment/ inspection of the department by NBEMS appointed assessor). - If duplicate application is submitted or if the

Refund of Accreditation Fee*	Existing Terms & Conditions	Revised Terms & Conditions
		application is submitted more than one year before its renewal is due.
50% of total fee + Applicable GST	If the application is withdrawn by the applicant hospital/ institute after 4 weeks of the last date for online application submission to NBEMS, but before the physical assessment/ inspection of the applicant department by NBEMS appointed assessor. If the application is rejected at pre-assessment level (prior to physical assessment/ inspection of the department by NBEMS appointed assessor) due to non-fulfilment of minimum accreditation criteria and/or the hospital fails to submit definite compliance within stipulated time (if so required) to the Pre - Assessment deficiencies communicated to the hospital by NBEMS.	- If the application is withdrawn by the applicant hospital/ institute after 4 weeks of the date for online application submission to NBEMS, but before the physical assessment/ inspection of the applicant department by NBEMS appointed assessor. - If the application is closed/rejected at pre-assessment level (prior to physical assessment/ inspection of the department by NBEMS appointed assessor) due to non-fulfilment of minimum accreditation criteria.
No refund shall be admissible	Once the physical assessment/inspection of the applicant department has been conducted by NBEMS appointed assessor.	- Once the physical assessment/inspection of the applicant department has been conducted by NBEMS appointed assessor. - Refusal to allow physical assessment/inspection of the applicant department on the day of assessment due to unavailability of staff/faculty/director etc.
Non-Refundable	Application form fee of Rs. 3,000/- + GST @ 5% (i.e. a total of Rs. 3150/-) is non-refundable under any circumstances.	Application form fee of Rs. 3,000/- + GST @ 5% (i.e. a total of Rs. 3150/-) is non-refundable under all circumstances.

iii. NBEMS डिप्लोमा ट्रेनीज़ को स्टाइपेंड /Stipend to NBEMS Diploma Trainees:

यह अधिसूचित किया जाता है कि जहाँ राज्य सरकार एनएमसी मान्यता प्राप्त चिकित्सा महाविद्यालयों के डिप्लोमा प्रशिक्षुओं को दिए जाने वाले वजीफे के संबंध में पृथक परामर्श या अधिसूचना जारी करती है, और उक्त अधिसूचित वजीफे की राशि उसी राज्य के एनबीईएमएस मान्यता प्राप्त संस्थानों द्वारा एनबीईएमएस डिप्लोमा प्रशिक्षुओं को भी प्रदान की जा रही है, तो उसे स्वीकार किया जाएगा।

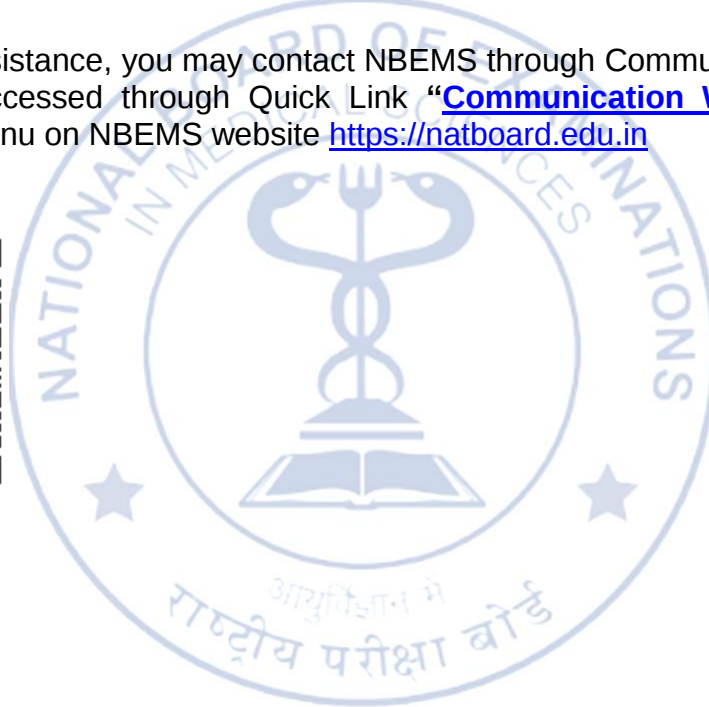

एनबीईएमएस वजीफे से संबंधित अन्य दिशा-निर्देश यथावत प्रभावी रहेंगे, जैसा कि एनबीईएमएस अधिसूचनाओं दिनांक [09-09-2024](#) एवं [03-06-2025](#) में प्रकाशित वजीफा दिशा-निर्देशों के अनुसार है।

It is hereby notified that where the State Government issues a separate advisory or notification regarding stipends to the Diploma trainees in the NMC recognized medical colleges of the State, and the said notified amount of stipend is also being paid to the NBEMS Diploma trainees by the NBEMS accredited institutes in that State, the same shall be accepted.

The other guidelines pertaining to NBEMS stipend shall continue to remain in force, in accordance with the NBEMS stipend guidelines published vide NBEMS Notices dated [09-09-2024](#) and [03-06-2025](#).

किसी भी प्रश्न/सहायता के लिए, आप [Communication Web Portal](#) के माध्यम से NBEMS से संपर्क कर सकते हैं। इस पोर्टल को NBEMS वेबसाइट <https://natboard.edu.in> पर “**Contact Us**” मेनू के अंतर्गत त्वरित लिंक “संचार वेब पोर्टल” के माध्यम से एक्सेस किया जा सकता है।

For any query/assistance, you may contact NBEMS through Communication portal. This portal can be accessed through Quick Link “[Communication Web Portal](#)”_under “**Contact Us**” menu on NBEMS website <https://natboard.edu.in>
