No. NBE/Thesis/Notice/2020/3

dated 22/12/2020

NOTICE

Subject : Extension of last date for submission of Thesis – reg.

Kind attn. : DNB trainees and Accredited Institutions

As per NBE norms, writing a Thesis is essential for all DNB trainees towards the partial fulfilment of eligibility for award of the Diplomate National Board (DNB) degree.

2. It is mandatory for DNB trainees who are eligible to appear in a forthcoming DNB Final Theory Examination to submit their Theses for Assessment at least six months prior to the Examination. However, in view of COVID-19 pandemic the last date for submission of Thesis has been extended from time to time.

3. Meanwhile, NBE has been receiving numerous requests both from Trainees and Accredited institutions to extend the last date for submission of Thesis, as trainees have not been able to complete their Thesis-writing due to the COVID-19 national lockdown.

4. In the light of the above, and due to COVID-19 pandemic, the last date for submission of Thesis by DNB trainees who are eligible to appear in the DNB Final Theory Examination - June 2021, is extended by a period of three months, i.e., till the 31st of March, 2021, as a 'Special Case'.

5. All DNB trainees and accredited institutions are informed that, no further extension shall be given, and those trainees who do not submit their Theses by the 31st of March, 2021, shall be rendered 'ineligible' to appear in the DNB Final Theory Examination - June 2021.

6. The last date for submission of Thesis Protocol documents by DNB trainees of the July, 2020 admission session, is also extended till the 31st of March, 2021.

7. This issues with the approval of the competent authority.
