

Instructions for how to enter answer booklet barcode

Enter the BARCODE number as mentioned on the top of the ANSWER BOOKLET provided to you. Before entering the BARCODE, please ensure that the answer booklet provided to you has 50 pages to answer the questions, no misprints, torn or missing pages and barcode printed on all of the pages of the booklet.

- 1) Enter the BARCODE correctly in the space using the virtual numpad provided below.
- 2) Wrong entry of BARCODE shall result in non-assessment of answer sheet.
- 3) You shall be provided 2 minutes of time for entering the BARCODE.
- 4) After entering the BARCODE, click the SAVE button. The SUBMIT button shall be enabled only after the time of 2 minutes for this group is over. You can NOT click the SUBMIT button unless you have saved the barcode entered.
- 5) Question paper shall NOT be visible until you have entered the BARCODE, clicked on SAVE button followed by SUBMIT button.
- 6) If you have not entered or submitted the BARCODE even after 2 minutes, you will start losing the exam time.
