1. Introduction

The Government of India established the National Board of Examinations in Medical Sciences (NBEMS) in 1975 with the objective of improving the quality of the Medical Education by establishing high and uniform standards of postgraduate examinations in modern medicine on All India Basis and utilizing existing healthcare infrastructure for capacity building.

The prime objectives of NBEMS is to elevate the standards of post graduate medical education in modern medicine and conducting examinations of high standard on an all India basis.

NBEMS provides a common national standard for evaluation of minimum level of attainment of the knowledge and competencies of post graduate and post doctoral training.

NBEMS conducts post graduate and post-doctoral examinations in approved disciplines leading to the award of Diplomate of National Board (DNB), Doctorate of National Board (DrNB) and Fellow of National Board (FNB). NBEMS also conducts the following examinations on an All India basis on Computer Based Platform:

2. NBEMS Fellowship Programme

Well-equipped Centres have been identified and accredited by NBEMS in the concerned sub-specialties. Students with DNB/MD/MS/MCh/DM qualification in the concerned specialty are eligible for fellowship programme. Selection to the fellowship programme is based on an entrance test and admission to the courses will be through centralized merit-based counselling. The trainee will go through a structured training programme, maintain a performance record book and undergo an examination at the end of the training. Students will be awarded Fellow of National Board (FNB) qualification at the annual convocation of NBEMS.

NBEMS offers Post Graduate/Post-doctoral fellowship courses with following objectives:

- ◆ To facilitate and encourage post-graduates aspiring to learn skills and competencies in their area of interest.
- ◆ To provide highest quality of specialty services comparable to any country in the world.
- ◆ To recognize “Centre(s) of Excellence” and to identify experts in various sub-specialties and allied sciences.
- ◆ To create a forum for high level scientific interaction between expert groups.
- ◆ To facilitate and encourage our young post-graduates aspiring to provide for higher level of specialized services in own country.
- ◆ To prevent brain drain of qualified medical professionals leaving our country for further academic achievements.

-
- ◆ To improve and promote the existing medical institutions in India to perform high professional services in various fields.
 - ◆ To promote medical research and Innovations adaptable to the socioeconomic status and culture of our country.
 - ◆ To conduct evaluation by appropriate mechanism for assessment of training programme examination before certification as specialist by the National Board of Examinations in Medical Sciences.

RECOGNITION OF FNB QUALIFICATIONS

The Nomenclature of the FNB qualification awarded by the National Board of Examinations in Medical Sciences is “Fellow of National Board”. The FNB qualifications are recognized qualifications in terms of the Gazette notification dated 10th August 2016. (**Annexure A**)

3. Information for Students

- 3.1. FET 2024 is a qualifying-cum-ranking examination for admission to Fellow of National Board (FNB) courses of 2024 admission session.
- 3.2. Student may kindly note that appearance in FET 2024 does not confer any automatic rights to secure a NBEMS Fellowship seat. The selection and admission to Fellowship Programme in any National Board of Examinations in Medical Sciences Accredited institution running FNB courses is subject to fulfilling the admission criteria, eligibility, medical fitness and such criteria as may be detailed in the information bulletin. The eligibility shall be determined at the time of counseling/admission/registration to the programme. In an event, a student is later found not to fulfil the criteria prescribed, his/her candidature as well as the result for the FET shall deemed to be cancelled.
- 3.3. Students are advised to read the Information Bulletin carefully and go through the instructions regarding submission of online application form given in the information bulletin as well as on FET 2024 index page on NBEMS website <https://natboard.edu.in> before starting online submission process for FET 2024.
- 3.4. Students are deemed to have read, agreed and accepted the Information Bulletin and the terms and conditions in the information bulletin for FET 2024 on completing the online submission of application form.
- 3.5. A student can submit FET 2024 application form only once. If a student is found to have submitted more than one application form for FET 2024, NBEMS may issue admit card to the application bearing higher order Application number (application ID) and cancel other application(s) forfeiting the fee for them. In an event any unfair practice is detected by NBEMS at any stage of

examination/admission process, NBEMS may cancel the candidature of such Students and debar them from appearing in any examinations conducted by NBEMS as per provisions of the Unfair Means Guidelines.

- 3.6. Students should ensure that all the information entered during the online submission of application form is correct and factual. Information provided by the students in the online application form shall be treated as correct and **NBEMS will not entertain, under any circumstances, any request for change in the information provided by the Students.** The option of editing certain information entered in the application form shall be available to the students during the edit window. Please refer Chapter on Instructions to fill Application Form for details regarding Edit Window.
- 3.7. **NBEMS itself does not edit /modify/alter any information entered by the Students at the time of online submission of application form under any circumstances.** There is no provision of accessing the application form to make any changes in the information provided in the application form after closure of edit window. Such requests to make any changes shall not be entertained. Students, however, shall be able to rectify the deficiencies in their application (if so communicated by NBEMS) regarding images uploaded by the prescribed cut-off dates.
- 3.8. Please refer Chapter on *Instructions to Fill FET Application Form*. Students are advised to review their applications submitted and rectify the deficiencies, if found any, within the window as detailed below. Students may note that deficiency in the application form pertaining to images uploaded may be communicated to them by NBEMS, however, **it shall be the sole responsibility of the applicant to ensure that the application submitted is complete in all aspects as per the information bulletin.** If any deficiency in the application which was not communicated by NBEMS to the applicant before conduct of the examination, is noted at any later

stage, this would not create any equity in favour of the candidate and confer any rights on to the Students for grant of eligibility for the examination.

3.8.1.Edit Window: Students who have successfully submitted their payment for the application during Application Submission window shall only be allowed to edit their applications during **20th January 2025 to 22nd January 2025**. 6. Scheme of FET 2024

- 6.1. The selection of a student will be through a MCQ based examination namely Fellowship Entrance Test.
- 6.2. The list of Fellowship courses offered to Indian and International Students through FET 2024 can be seen at **Chapter 2**. The prior entry qualifications i.e. feeder qualifications eligible for a particular fellowship course are detailed in **Annexure - B** to this information bulletin.
- 6.3. **Scheme of FET 2024:** A student can apply for the fellowship courses for which his/her broad or super specialty qualification/ equivalent qualification is eligible, at the time of online submission of the application form.
- 6.4. The total duration of the question paper will be 105 minutes (Part A - 45 minutes and Part B - 60 minutes).
- 6.5. **Question Paper:** There shall be a separate question paper for each fellowship course /clubbed group. Total number of questions in each question paper shall be 100 which shall be divided into two Parts; Part A & Part B.
- 6.6. **Part-A of the question paper** for any fellowship course/clubbed group shall comprise of MCQs from the eligible feeder broad/ super specialty course(s). In case, there is only a single feeder broad specialty course for a particular super specialty, Part A in such a case will comprise of questions from only one broad specialty. For eg. MS/DNB General Surgery is the only feeder specialty for FNB Minimal Access Surgery, therefore Part A of FNB Minimal Access Surgery question paper will comprise of questions from General Surgery.

For Fellowship courses having multiple feeder specialty courses, Part-A will comprise of questions from all the eligible feeder

specialty courses. For eg. The eligible feeder specialties for Hand & Micro Surgery course are General Surgery, Orthopaedics and Plastic Surgery. Therefore, Part -A of Hand and Micro Surgery question paper shall comprise of questions from all the three feeder specialty courses i.e. General Surgery, Orthopaedics and Plastic Surgery.

6.7. **Part- B of the question paper:** It shall comprise of 60 questions pertaining to the concerned fellowship course. The questions shall shall cover topics from clinical practice and basic sciences as applied to the concerned Fellowship course at entrance/entry level.

6.8. **Clubbing:** Certain Fellowship Courses have been clubbed together and each clubbed group of Fellowship Courses shall be treated as one for the purpose of online submission of the application form and generation of the question paper. For eg. Spine Surgery, Sports Medicine and Arthroplasty Fellowship Courses have been clubbed together and all these

clubbed Fellowship courses will be treated as a single unit for the purpose of online submission of application form and examination. Therefore, part A of the question paper for the clubbed super specialties shall comprise of questions from the eligible feeder specialty(s) only and the part B shall comprise of equal number of questions from all the clubbed Fellowship Courses. A student can opt for only one Fellowship course/clubbed group at the time of online submission of the application form based on his/her eligibility for the concerned Fellowship course.

6.9. **Fellowship courses which have been clubbed** together for the purpose of administering FET are tabulated below:

 - *Any other CME or workshop as may be deemed appropriate*
 - It is not obligatory on part of hospital/institute to relieve the trainee if the exigency of hospital duties so warrants.
 - Such period of deployment to the above mentioned workshop / conferences shall be part of training and shall be governed by the applicable leave guidelines for FNB trainees.
 - Each consultant who has been shown as faculty for FNB programme will devote at least 10 hour per week for teaching/ training in terms of case discussion, seminar, ward round, journal club etc. for FNB

trainees. This is in addition to his/her assigned clinical & other hospital responsibilities.

- The minimum teaching programme per week shall comprise of 5 hours of didactic teaching (Seminars, Journal Clubs, Lectures etc) and 5 hours of clinical/bed side teaching. Each consultant will have to attend NBEMS CMEs or faculty development workshops as conducted by NBEMS time to time.
- The accredited hospital shall maintain details of its full time faculty for DNB/FNB programme on its official website indicating their designations and time period of availability in the hospital.
- **Training in Basic Sciences:** The applicant hospital is required to make provisions for training & teaching of FNB trainee in applied basic sciences as relevant to the applicant specialty.
- The applicant hospital is required to arrange appropriate number of lectures/demonstrations/group discussions/seminars in applied basic sciences as relevant to the applicant specialty.
- As per NBEMS criteria the hospital should have one of the following provisions for applied basic science teaching & training:
 - A team comprising of in-house faculty from relevant surgical disciplines (such as General Surgery, Obstetrics & Gynaecology, Orthopaedics, Surgical Super Specialty etc) to provide applied anatomy teaching/training and faculty from relevant medical disciplines (such as General Medicine, Paediatrics, Medical Super specialties etc) to provide applied physiology & pharmacology teaching/training to the FNB trainees as applicable to the applicant specialty may be constituted. The biochemist, microbiologist & pathologist with PG degree qualifications in the hospital shall supplement the above team for applied basic science training, 'OR'

-
- Specialists in basic sciences can visit the applicant hospital as adjunct/guest faculty to impart the applied basic science teaching/training to FNB trainees of the applicant hospital as relevant to the applicant specialty, 'OR'
 - A tie up with other institution (e.g. a medical or dental college/university/institute) may be undertaken to provide applied basic science teaching/training. A Memorandum of Understanding (MoU)/Permission letter from the Head of Institute of respective Medical or Dental College/University/ Institute should be submitted confirming to the said arrangement.
 - Accredited hospitals should also rotate their FNB trainees for one month in each year (in addition to the routine duties) in their hospital's laboratory so as to enable them to gain knowledge in laboratory procedures related to Pathology, Histopathology, Biochemistry, Microbiology, Genetics etc.
 - General Beds: The institute/hospital will earmark 30% of the beds in the specialty as "General (Teaching) Beds". General Beds are those 'earmarked' beds / cases whose patients shall be accessible at all times for supervised clinical work to FNB trainees. Data of patients admitted on such beds or such cases shall be accessible to FNB trainees for research purposes subject to applicable ethical guidelines and clearances from Institutional Ethics Committee & institutional policies. A certificate to this effect shall be furnished by the Head of Institute every year to NBEMS.
 - Hands on Training: The accredited hospital /institution shall make use of a clinical skills lab /surgical skills lab in the state /city and arrange for such training as may be required for training of the students. The hospital shall provide such access to procedures (observed and supervised), assisted procedures to the FNB trainees as may be required for enhancing their competence and skills.

13.4. Formative Assessment Test (FAT)/ Appraisal of FNB Trainees:

- The hospital/institute shall ensure participation of FNB trainees in Formative Assessment Test organised by National Board of Examinations in Medical Sciences or by the hospital itself as per guidelines notified time to time on National Board of Examinations in Medical Sciences website <https://natboard.edu.in>
- The annual appraisal fee collected from FNB trainees shall be spent towards annual appraisal of FNB trainees only. The corpus cannot be re-appropriated/ utilized for any other kind of expenses. The fee applicable for Formative Assessment Test (FAT) organised by National Board of Examinations in Medical Sciences shall be transferred to NBEMS within stipulated timelines from aforesaid collection only.
- In the event the hospital/institute is found not complying with the appraisal guidelines/not participating in the appraisals/failed to transfer the fee to NBEMS as applicable for FAT, the hospital/institute shall have to refund the appraisal fees for said academic year to the trainee and further that penal action shall be taken by NBEMS against the hospital/institute.
- The accredited hospital shall relieve the FNB trainees for participating in FAT organised by National Board of Examinations in Medical Sciences. In his/her absence, the clinical duties may be assigned to the non-academic Junior/Senior residents in the department.

13.5. Comprehensive Leave Rules for NBEMS Trainees:

In supersession of leave rules for NBEMS trainees published earlier by NBEMS, the following rules shall be applicable with effect from 22.11.2024 on all NBEMS trainees:

1. Purpose:

The purpose of NBEMS Leave Rules is to establish guidelines and

procedures for managing leave for trainees registered with NBEMS (National Board of Examinations in Medical Sciences) to undergo PG medical training at NBEMS accredited institutions.

2. Eligibility:

Every programme of the NBEMS requires a mandatory period of training which must be completed in order to be eligible to take the Exit Examination. NBEMS trainees must take utmost care to complete their training well within the cut-off date in order to be eligible to take the Exit Examination.

3. Leave Entitlement:

During the period of training, candidates are entitled to avail leave only in the following terms:

- a) NBEMS trainees are entitled to a maximum of 30 days of leave per year of training, which is the '*eligible leave*' for each NBEMS trainee.
- b) In addition, a candidate is entitled to a weekly / duty off during his / her training.
- c) However, when a candidate is on leave, the weekly / duty off mentioned in sub clause (b) above will be included in the leave taken by the candidate. For eg: If a candidate has taken leave for 30 days, the weekly / duty off during these 30 days will be included as a part of the leave taken by the candidate. The candidate will not be entitled to deduct the weekly / duty offs during the said period and count them either towards training or towards leave in addition to the 30 days.
- d) **Maternity/Paternity Leave:** Maternity leave shall be granted to female trainees in accordance with Central or State Government policies applicable to the training institute. The Expected Date of Delivery (EDD)/ Date of Delivery (DoD) should fall within the

duration of maternity leave applied for. Further, in whichever States 6 months of maternity leave is permissible as per policies applicable there, it can be availed during 2 months prior to EDD to 6 months after DoD. Paternity leave for maximum 2 weeks can be availed by male trainees.

- e) There is no provision of extension of maternity leave beyond permissible period or grant of Child Care Leave (CCL) in the NBEMS training programme.
- f) Trainees must note that the grant of Maternity / Paternity leave or leave on any other account does not mean that their training shall not be extended on account of their absence during the period they are on leave. Candidates are entitled to the benefit only of '*eligible leave*' i.e. **30 days per year** for the purposes of their training and any other leave availed by them on any ground whatsoever shall lead to the extension of training. Candidates must also note that if as a consequence of extension, their training extends beyond the cut-off date prescribed in the respective Information Bulletin for the final examination, he/ she shall not be eligible to appear in the said final examination.
- g) No study leave whatsoever is permissible to the NBEMS trainees. The eligible leave of 30 days a year could be used for any purposes as may be required. However, the trainees are not permitted to take up any employment or enroll for any other academic course during the leave period.

4. Leave Application Procedure:

- a) Eligible leave of 30 days per year shall be granted by the training institution at their level. Any leave over and above the '*eligible leave*' of **30 days per year** shall be forwarded through the training institution with its recommendations to NBEMS for consideration. Any request of leave over and above the eligible leave of 30 days shall be submitted to NBEMS by way of an

NBEMS Leave Application Form well in advance to obtain NBEMS approval before proceeding on leave. Leave requests must be supported with relevant documents as per guidelines detailed in the NBEMS Leave Application Form. The leave application form, duly endorsed by the training institution, ***shall have to be submitted by the trainee to NBEMS***, only through NBEMS communication web portal before proceeding on leave.

- b) Requests for post-facto approval of leave shall not be entertained and the trainee shall be considered on an unauthorized absence for such period.

5. Extension of Training:

- a) As explained in Rule 3 above, any leave availed by an NBEMS trainee other than the eligible leave (30 days per year) shall lead to extension of NBEMS training. This extension shall be equal to the number of days of excess leave availed by the trainees.
- b) The training period as prescribed in the letter of registration issued by NBEMS in terms of number of calendar days/ month/years must be completed for successful completion of NBEMS training. Any extension, if so required to be undertaken due to excess leave availed in a year, can only be done by working for the number of days equal to the excess leave availed during the training programme.
- c) The extension of training period cannot be compensated by way of working extra hours on working days or by working on holidays or in any manner other than prescribed herein above.
- d) Eligible leave of one year shall not be carried forward to the next year or clubbed with the eligible leave of next year to calculate the total period of extension required to be undertaken. The leave remaining unutilized in a year shall lapse on expiry of the year. In *exceptional circumstances*, NBEMS may allow balance leave of one year to be credited against the

leave availed in next year(s) of training, on a case-to-case basis, to arrive at the period of extension required to be undertaken.

6. Considerations During Leave Period:

- a) Days for attending NBEMS Final Theory & Practical Examinations and Formative Assessment Tests will be considered towards period of training and not as leave.
- b) The trainees are paid stipend for the entire duration of training including their eligible leave as per NBEMS stipend guidelines. However, they shall not be paid stipend for a period more than the duration of the training programme i.e. 36 months (for a 3-year programme) or 24 months (for the 2 year Programme) or 72 months (for the 6 year programme), if in case their training gets extended due to excess leave availed by them.

7. Compliance and Enforcement:

- a) Trainees are required to comply strictly with NBEMS leave rules and institutional policies.
- b) Failure to comply may result in disciplinary action, including cancellation of candidature.
- c) NBEMS trainee must be careful while applying for leave. They must take note that if the total leave availed by them during the training programme is more than a year, it shall lead to the cancellation of the candidature of the NBEMS trainee and shall disentitle him/her from pursuing the NBEMS programme. Candidates must therefore ensure that the leave taken by them must under no circumstances exceed a year.
- d) Any absence from the training that is not in accordance with the present Rules shall amount to Unauthorized Absence and such absence from NBEMS training for more than 7 days *may* lead to cancellation of registration and discontinuation of the NBEMS training.

-
- e) If on account of the leave taken by the NBEMS trainee, his/her training have been extended beyond the cut-off date prescribed in the respective Information Bulletin for the final examination, he/she shall not be eligible to appear in the said final examination. NBEMS trainees must therefore keep this in mind while taking leave from the training programme.
 - f) The eligibility for DNB/ DrNB/ FNB/ NBEMS Diploma Final Examination shall be determined strictly in accordance with the criteria prescribed in the respective information bulletins.

These rules shall be applicable with immediate effect on all ongoing NBEMS trainees as well.
